DEPARTMENT OF MECHANICAL ENGINEERING

CLASS ROOMS

The department of mechanical engineering has 2 class rooms for teaching and learning that are equipped with ICT enabled facilities such as LCD projectors smart interactive board and Wi-Fi and 1 tutorial class. One class room is equipped with smart interactive boards and multimedia facilities.

LABORATORIES

The department has 12 dedicated laboratories with the specified equipments and software. They have well qualified and experienced technical supporting staff and adequate number of laboratory equipments. Students are allowed to carry out mini projects and major projects in the respective laboratories in different time slots.

SEMINAR HALL

The department has 1 seminar hall with 200 seating capacities and this hall is used for the purpose of conducting department associative activities.

INTERNET AND WI-FI

The department has internet speed with 100Mbps internet leased line for connecting all departments and their laboratories to share the information at the finger tips.

LIBRARY

The department library contains various text books and reference books to cater the needs of the faculty members and students. It also contains various question banks and previous semesters question paper and project reports are also available for reference.
