## FEEDBACK ANALYSIS AND ACTION TAKEN REPORT

For the Academic year 2019-2020

Stakeholder	General observation of Feedback	Action Taken
<b>Student</b>	Students are very much satisfied with the exposure they get for their overall development.	Through Active Student Council, Students get an opportunity for representation as a Committee head/ member. At SBS, We have many committees as Placement Committee, Cultural & Sports Committee.
<b>Faculty</b>	Some of the specialization books should be added in library stock.	Requisition of books was taken from faculty members. A list was compiled by the librarian and proposed for purchase.
<b>Alumni</b>	Various alumni of our Institute were taking up entrepreneurial ventures. These students wanted support and guidance for their start-up ventures.	Incubation center is developed to provide research and training support to the start-ups and research scholars. We started with the activities of incubation center from Jan 2014. The nature of the support and guidance ranges from conducting research for business to planning and executing research processes and functions.
<b>Employer</b>	One of the employers has given a valuable suggestion that Student should do small research project with Small scale industry unit which will enhance the vision of students and also will improve their employability.	Incubation center is developed to provide research and training support to the start-ups and research scholars. We started with the activities of incubation center from Jan

		2014. The nature of the support and guidance ranges from conducting research for business to planning and executing research processes and functions.
<b>Parents</b>	Parent's feedback was mainly related with English communication skills of their respective wards.	Through the Industry - Academia Interaction Cell we undertake various research and execution activities for Organization. We at SBS provide favorable environment to the faculty members and students to conduct research.
