# NSS ACTIVITY- DISTRIBUTION OF HOME GOODS TO KITS WORKERS

The COVID-19 pandemic may have brought many changes to how you live your life, and with it, at times, uncertainty, altered daily routines, financial pressures and social isolation. Subsequently, India became the third-worst affected country worldwide. From school, college's closures to devastated industries and millions of jobs lost – the social and economic costs of the pandemic are many and varied. Covid-19 is threatening to widen inequalities everywhere, undermine progress on global poverty and clean energy, and more. Due to lockdowns and social distancing measures, people have lost jobs and livelihoods, leaving them unable to pay for housing and food.

Due to this pandemic situation - NSS committee and Krishna Chaitanya Institute of Technology & Sciences, Management- had decided to give their housing goods for KITS working people who are unable to pay for their basic needs. NSS Committee and KITS management had arranged all the basic goods like Rice bags, oil packets, millets and had distributed for the working people.

Dr.V. Krishna Reddy – Principal (KITS), all department HOD's and teaching staff, NSS Co-ordinator had participated in this program. In addition to the distribution of home goods for KITS workers, the NSS Committee had distributed some home goods in the town of Markapur for poor families.

#### **GANDHI JYANTHI**

Gandhi Jayanti is an event celebrated in India to mark the birthday of Mahatma Gandhi. It is celebrated annually on 2 October, and is one of the three national holidays of India. The UN General Assembly announced on 15 June 2007 that it adopted a resolution which declared that 2 October will be celebrated as the International Day of Non-Violence as he was a non-violent freedom fighter. He is also known as the "Father of The Nation" and this title was given to him by Netaji Subhash Chandra Bose for his relentless struggles for independence.

Behalf of this, Principal – Dr. V.Krishna Reddy, Dr.A. Ranganayakulu – Vice Principal, B.Prabhakar – A.O., P.V. Anil Kumar- NSS Coordinator and all the department of HOD's are present in the Event. The event is carried out by NSS Coordinator Anil Kumar and his Team. During the event principal had garlanded the portrait of the Mahatma Gandhi and paid tributes to him.

#### **INTERNATIONAL GIRL CHILD DAY**

International Day of the Girl Child is an annual and internationally recognized observance on October 11 that empowers girls and amplifies their voices. Like its adult version, International Women's Day, celebrated on March 8, International Day of the Girl Child acknowledges the importance, power, and potential of adolescent girls by encouraging the opening up of more opportunities for them. At the same time, this day is designated to eliminate gender-based challenges that little girls face around the world, including child marriages, poor learning opportunities, violence, and discrimination. To eliminate such discriminations Scholaroo has resources for scholarships from around the world for young girls to support their future.

The theme for this year's aptly named "Day of the Girl Child" as it is also known, is "Digital generation. Our generation." It provides a platform for the global community to understand the disadvantages girls facing

Save a girl to save tomorrow. Save girl child, save future generations."

Keeping these lines, KITS - Women Empowerment Cell & NSS committee organized a event on GIRL CHILD DAY at Krishna Chaitanya Institution Of Technology & Sciences, Markapur in A-block conference hall. Dr.Neela Priya — HOD of civil, Dr.Mahalakshmi —CSE faculty, A.Amrutavalli — CSE-faculty -NSS Committee member, Non-teaching Lady faculty and all the B.Tech Girls of about 300 had present during the event.

## **WORLD STUDENTS DAY**

Many people including politicians and officials in India have been spreading that the UN has declared the birthday of former Indian President A. P. J. Abdul Kalam as **World Students' Day**. But, the UN has never declared 15 October as World Students' Day For the last few years even those who have held important positions in India have been spreading and celebrating it, no one knows how it originated. Rajiv Chandran, UN Information Center for India and Bhutan National Information Officer, told a national media that the United Nations had not made such a statement. October 15 has been declared International Day of Rural Women on the official website of the United Nations. If the United Nations is to make an official announcement on any given day, it must be requested to the General Assembly by one member state and then discussed and voted on. None of this has happened in terms of celebrating Kalam's birthday as World Student Day.

The Principal – Dr. V.Krishna Reddy Dr.A. Ranganayakulu – Vice Principal, B.Prabhakar – A.O., P.V. Anil Kumar- NSS Coordinator and all the department of HOD's are present in the Event. The event is carried out by NSS Co-ordinator Anil Kumar and his Team. During the event principal had garlanded the portrait of the Abdul Kalam and paid tributes to him.

#### RASHTRIYA EKTA DIVAS

In 2014, Rashtriya Ekta Diwas or National Unity Day was introduced by the government of India. The official statement for Rashtriya Ekta Diwas was provided by the home ministry of the country. It cites that the National Unity Day "will provide an opportunity to re-affirm the inherent strength and resilience of our nation to withstand the actual and potential threats to the unity, integrity and security of our country."

For his efforts towards a united India, Sardar Patel's birth anniversary is now celebrated as National Unity Day. This is also known as Rashtriya Ekta Diwas. To celebrate the day, the 'Unifier of India' was honored with the Statue of Unity which is actually the world's tallest statue! Dedicated to Sardar Patel, the statue is approximately 597 feet in height. Prime Minister of India Narendra Modi inaugurated the event on October 31, 2018.

On this day, remembering their efforts towards country NSS committee had decided to organize a program to tribute Sardar Vallabhai Patel. Dr. V.Krishna Reddy –Pricipal (KITS) ,Dr.A. **Vallabhbhai Jhaverbhai Patel** (October 1875 – 15 December 1950), commonly known as **Sardar Patel**, was an Indian lawyer, influential political leader, barrister and statesman who served as the first Deputy Prime Minister and Home Minister of India from 1947 to 1950. His dedication to the national integration of the newly formed India made him earn the title 'Iron Man of India.' After facing a massive heart attack, he breathed his last on December 15, 1950, in Bombay.

**Potti Sreeramulu** (16 March 1901 – 15 December 1952), was an Indian freedom fighter and revolutionary. He became famous for undertaking a hunger strike for 56 days in support of having separate state for Andhra Pradesh; he died in the process.. He contributed his life for the formation of a separate Telugu-speaking state from the dominant Tamil-speaking state of Tamil Nadu presidency. ## **AWARENESS PROGRAM ON ROAD SAFETY**

Road safety awareness is crucial because it helps reduce the number of injuries and deaths on our roads., Students will learn about the critical road safety rules and the importance of following them.

To stay safe, one must know the proper way to drive a car and not rely on in-car technology like a navigation system. It can be challenging to know how much space one needs when driving a large vehicle like an SUV or a bus, so keep in mind that one should leave enough room for emergency vehicles if there is one nearby.

KITS –NSS unit and department of civil had organized a Awareness Program On Road Safety. For this program DSP, Markapur Division Circle acted as a chief guest. Firstly the program is intiated with jyothi prajwalana for saraswathi portrait. After this, In this program DSP explained about the road safety precautions, traffic rules etc., at the age of 18 all should get their motor vehicle license and should drive carefully like

i. Use a seat belt. ii. Wear a helmet on a motor cycle. iii. Drive at a safe speed and distance suitable for the conditions. iv. Not to drive under the influence of alcohol or drugs. v. Not use a mobile phone when driving. vi. Be visible as a Pedestrian or Cyclist. vii. Know and respect the Highway Code. viii. Maintain my vehicle in a good condition. ix. Be licensed and trained for the vehicle I drive. x. Know how to react in case of a crash.

## 72<sup>nd</sup> Republic Day

Every year Republic Day is celebrated in India on 26th January with zeal and enthusiasm. Spectacular parades at Janpath, New Delhi, consisting the Indian National Army and national flag hoisting in various parts of the country are common practices followed on this day. It was this day in history in 1965 when Hindi was declared as the official language of India. This year it will be marked India's 72th Republic Day

After attaining independence from the British rule, the new constitution was enrolled by the drafting committee under the deanship of Dr BR Ambedkar. The Indian Constitution came into effect on 26 January 1950, which declared India's occurrence as an independent republic. January 26th was chosen as the date because on this day in 1930, the Indian National Congress revealed Purna Swaraj, the declaration of India's independence from the colonial rule.

Dr.A. Krishna Chaitanya - Secretary & Correspondent acted as chief guest, Principal – Dr. V.Krishna Reddy, Dr.A. Ranganayakulu – Vice Principal, B.Prabhakar – A.O., P.V. Anil Kumar- NSS Coordinator and all the department of HOD's are present in the Event. In this event Dr.Krishna Chaitanya (Secretary & Correspondent) had garlanded the portrait of freedom fighters & hoisted the flag along with parade. After Hoisting, the eve is started with National song. All the dignitaries had delivered their speeches regarding to the Republic Day celebrations. # **World Mother Language Day**

Globally 40 per cent of the population does not have access to an education in a language they speak or understand. But progress is being made in multilingual education with growing understanding of its importance, particularly in early schooling, and more commitment to its development in public life.

International Mother Language Day recognizes that languages and multilingualism can advance inclusion and the Sustainable Development Goals' focus on leaving no one behind. UNESCO encourages and promotes multilingual education based on mother tongue or first language. It is a type of education that begins in the language that the learner masters most and then gradually introduces other languages. Multilingualism contributes to the development of inclusive societies that allow multiple cultures, worldviews and knowledge systems to coexist and cross-fertilize.

So, on this eve- Dr. V.Krishna Reddy – Principal, Dr.A. Ranganayakulu – Vice Principal, B.Prabhakar – A.O., P.V. Anil Kumar- NSS Coordinator and all the department of HOD's are present at the middle block at Saraswathi statue. They had garlanded the statue remembering our Mother language (Telugu). NSS committee had oraganized a program and explained about the importance of mother language etc. Around 300 students & staff had participated in this program. The event is carried out by NSS Co-ordinator Anil Kumar and his Team.
