### REPORT OF THE PROGRAM

#### **TRAINING PROGRAM : ICT (Information & Communication Technology)**

**DATES : 21-10-2021 to 22-10-2021**

**RESOURCE PERSON:** Mr. Ch. Gopi Raju, APSSDC, Andhra Pradesh

This program is conducted for I B.Tech I sem to give them importance on Information & Communication Technology (ICT).

Information and Communications Technology (ICT) has an important role in the world since we are now in the information age era. With ICT, the company can make the business easier to happen with the client, supplier and the distributor. It is also very important in our daily lives. The lack of appropriate information at the right time will result in low productivity, low quality research works, and waste of time to pursue information and even to do research which actually others had done or in other countries. Nowadays ICT cannot be separated with our daily needs.

The resource person trained the students on following topics:

- 1) Computer peripherals – Input, Output Devices, Storage Devices
- 2) Hardware, Software
- 3) Networking concepts
- 4) Internet Browsing, Wi-Fi
- 5) MS-Office Tools
- 6) Operating System and System Softwares
- 7) Upcoming Technologies in IT sector

### ABOUT THE COLLEGE

Krishna Chaitanya Institute of Technology & Sciences, Markapur, founded by Sri Anna Venkata Rambabu, Ex-M .L.A. of Giddalur Constituency under the name and style of Anna Educational Society. Sri Rambabu is a social worker and devoted his life for serving the public. He, who got a title "JALADATA" for his renowned service and he was given an award "PRATIBHA PURASKAR" and won the Lawrence of the people. Sri Anna Krishna Chaitanya, Secretary & Correspondent is an Ideological, young and dynamic personality with updated administrative and technological views.

Krishna Chaitanya Institute of Technology & Sciences, Markapur, is established in 2008 in pollution free, hygienic, serene, lush green environment and meadows in an area of 36 Acres of land just 6 km from Markapur. This Institute is offering five B.Tech courses (CE, ECE, AI&ML, and AI) with a total intake of 420. The Institute as such is a monumental infrastructure which is architecturally designed and framed with updated facilities for the students. This Institute has got the appreciation from the Hon'ble former Chief Minister Sri K. Rosaiah garu for the infrastructure, equipment, results and discipline.

Dr. V.Krishna Reddy, Principal of this Institute is a person of academic excellence with vast experience in Technical Education and administration. He has published several Technical papers in National & International Journals and won academic awards.

### ABOUT THE DEPARTMENT

The department of COMPUTER SCIENCE and ENGINEERING was established right from the inception of the college with an current intake of 180 students in UG. The department has well qualified, committed and dedicated faculty members and has well equipped, sophisticated, precise and state of art laboratories are centre of attraction.

### COURSE OBJECTIVES

The course is designed to provide Basic knowledge on how the images are visualized, restored, compressed and retrieved.

### ABOUT THE WORKSHOP.

**AWS Marketplace is hiring!**Amazon Web Services (AWS) is a dynamic, growing business unit within Amazon.com. We are currently hiring Software Development Engineers, Product Managers, Account Managers, Solutions Architects, Support Engineers, System Engineers, Designers and more. Visit our [Careers page](#) or our [Developer-specific Careers page](#) to learn more.Amazon Web Services is an Equal Opportunity Employer.

AWS Marketplace is a digital software catalog that makes it easy to find, try, buy, deploy, and manage software that runs on AWS. AWS Marketplace has a broad and deep selection of ISV solutions that can help you drive modern application development in the cloud.

**REPORT OF THE EVENT**

**EVENT NAME: A WORKSHOP ON AMAZON WEB SERVICES (AWS)**

**DURATION OF THE PROGRAM : 02/08/2021 to 07/08/2021**

**RESOURCE PERSON DETAILS: Mr.V.Gopi, Cron technologies Pvt. Ltd.,  
Hyderabad**

Department of COMPUTER SCIENCE and ENGINEERING, KITS, Markapur has organized a WORKSHOP in AMAZON WEB SERVICES (AWS) for CSE Third Year students on 02/08/2021 to 07/08/2021 at Third year lecture hall. Mr.V.Gopi, Cron technologies Pvt. Ltd., from Hyderabad was the resource person and Mr.E.RAJESH acted as a coordinator for this event.

During the lecture, Mr.V.Gopi spoke about introduction and various applications of Amazon Web Services (AWS). The full form of AWS is Amazon Web Services. It is a platform that offers flexible, reliable, scalable, easy-to-use and, cost-effective cloud computing solutions.

AWS is a comprehensive, easy to use computing platform offered Amazon. The platform is developed with a combination of infrastructure as a service (IaaS), platform as a service (PaaS) and packaged software as a service (SaaS) offerings. Cloud computing is a term referred to storing and accessing data over the internet. It doesn't store any data on the hard disk of your personal computer. In cloud computing, you can access data from a remote server. Cloud computing is a term referred to storing and accessing data over the internet. It doesn't store any data on the hard disk of your personal computer. In cloud computing, you can access data from a remote server.

Earlier, Mr.E.RAJESH ,coordinator for this program welcomed the guest speaker and introduced him to the audience. Head of the department of CSE ,Mr.M.Ghana Vardhan thanked the speaker for sparing his valuable time to educate the budding engineers.

HEAD OF THE DEPARTMENT

**PRINCIPAL**  
KRISHNA CHAITANYA INSTITUTE  
OF TECHNOLOGY & SCIENCES  
DEVARAJUGATTU(VIII) 523 320  
Peddaraveedu(Mdl), Prakasam Dist.

In 2006, Amazon Web Services (AWS) began offering IT infrastructure services to businesses in the form of web services -- now commonly known as cloud computing. One of the key benefits of cloud computing is the opportunity to replace up-front capital infrastructure expenses with low variable costs that scale with your business. With the Cloud, businesses no longer need to plan for and procure servers and other IT infrastructure weeks or months in advance. Instead, they can instantly spin up hundreds or thousands of servers in minutes and deliver results faster.

Today, Amazon Web Services provides a highly reliable, scalable, low-cost infrastructure platform in the cloud that powers hundreds of thousands of businesses in 190 countries around the world. With data center locations in the U.S., Europe, Brazil, Singapore, Japan, and Australia, customers across all industries are taking advantage of the following benefits.

#### **Low Cost**

AWS offers low, pay-as-you-go pricing with no up-front expenses or long-term commitments. We are able to build and manage a global infrastructure at scale, and pass the cost saving benefits onto you in the form of lower prices. With the efficiencies of our scale and expertise, we have been able to lower our prices on 15 different occasions over the past four years. Visit the Economics Center to learn more.

#### **Agility and Instant Elasticity**

AWS provides a massive global cloud infrastructure that allows you to quickly innovate, experiment and iterate. Instead of waiting weeks or months for hardware, you can instantly deploy new applications, instantly scale up as your workload grows, and instantly scale down based on demand. Whether you need one virtual server or thousands, whether you need them for a few hours or 24/7, you still only pay for what you use. Visit the Architecture Center to learn more.

To  
The Principal/HOD,

Dear Sir/Madam

Sub: A National level Work Shop on Python Programming -  
announcement- Requested

We are pleased to inform you that the Electronics & Communication Engineering department of KRISHNACHAITANYA INSTITUTE OF TECHNOLOGY & SCIENCES is organizing a A National level Work Shop on **Python Programming** in Association with APSSDC during 13-09-2021 to 25-09-2021. The details are furnished in the enclosed brochure.

We earnestly request you to give wide publicity among the students by displaying the brochure. I further request you to encourage your students to participate in this work shop.

Thanking you for your kind co-operation and looking forward to participate more from your college

Yours truly,

  
(Dr. P. Prasanna Murali Krishna)

### ABOUT THE COLLEGE

Krishnachaitanya Institute of Technology & Sciences, Markapur, founded by Sri Anna Venkata Rambabu, Ex-M .L.A. of Giddalur Constituency under the name and style of Anna Educational Society. Sri Rambabu is a social worker and devoted his life for serving the public. He, who got a title "JALADATA" for his renowned service and he was given an award "PRATIBHA PURASKAR" and won the Lawrence of the people. Sri Anna Krishna Chaitanya, Secretary & Correspondent is an Ideological, young and dynamic personality with updated administrative and technological views.

Krishnachaitanya Institute of Technology & Sciences, Markapur, is established in 2008 in pollution free, hygienic, serene, lush green environment and meadows in an area of 36 Acres of land just 6 km from Markapur. This Institute is offering five B.Tech courses (EEE, ECE, CSE, ME & CE) with a total intake of 420. The Institute as such is a monumental infrastructure which is architecturally designed and framed with updated facilities for the students. This Institute has got the appreciation from the Hon'ble former Chief Minister Sri K. Rosaiah garu for the infrastructure, equipment, results and discipline.

Dr. V.Krishna Reddy, Principal of this Institute is a person of academic excellence with vast experience in Technical Education and administration. He has published several Technical papers in National & International Journals and won academic awards.

### ABOUT THE DEPARTMENT

The department of Electronics and Communications Engineering was established right from the inception of the college with an annual intake of 120 students in UG. The department has well qualified, committed and dedicated faculty members and has well equipped, sophisticated, precise and state of art laboratories are centre of attraction.

### COURSE OBJECTIVES

The course is designed to provide Basic knowledge of Python. Python programming is intended for software engineers, system analysts, program managers and user support personnel who wish to learn the Python programming Language.

### WHAT IS PYTHON PROGRAMMING

The Python program is a scripting language that can be used for development, coding websites and applications, processing images, scientific data, and more. The program can be found in action on the Google search engine, NASA, Disney, Pinterest, and more. It was built for ease of use and speed and is less complicated than Ruby and other similar object-oriented programming languages. Because it is open-sourced, the program has enjoyed popularity among developers and programmers, and it continues to be the base program for most websites in operation on the internet today.

Python software is free to download and can be accessed on virtually every type of operating system.

It comes with a large standard library that will make programming simple tasks, such as reading and modifying files, connecting to web servers, and more, easy. Companies such as Nokia, IBM, Google, and Disney were all searching for programmers with Python experience to help them with web applications and framework development; in this respect, Python works perfectly with Django, which functions as the base framework system that Python builds on. Python also enables programs to script professional-grade web-based products. From back-end to front-end development, full-stack, and web-based options, Python programmers continue to find more economic prospects as the use of the language grows to encompass all areas of software and web development.

Respected Sir,

We feel excited to welcome you to the "Python Programming Online 2021-22" *Workshop*. The Program is going to happen from 13-09-2021. So, we are assigning 2 trainers for this program.

Please get ready with the following Requirements For Python:

- Os : Windows 10 / Ubuntu 14.04LTS +
- RAM. 4 GB (Recommended) Processor: i3 and Above
- Disk Space: 20GB

Other Requirements to attend these workshops

1. As this is a Hands-on workshop, We recommend that you have a laptop / Desktop accessible to you.

### Training Program Details:

- Program Name: Python Programming Online 2021-22
- Start date: 13-09-2021
- Session Timings: 10:00 Am to 01:00 Pm
- Duration: 2Week
- Course Content Link: Python Programming
- Registration Link: <http://engineering.apssdc.in/register>

### Trainer Details:

S.No	Name	Gmail	Mobile Number
1	Puvvala Sindhuja	sindhuja.p@apssdc.in	9951676604
2	K Mangatayaru	mangatayarukaligineedi98@gmail.com	9705079252

### College Details:

Name: KITS COLLEGE- MARKAPUR

S.No	Name	Gmail	Mobile Number
1	Dr. P Prasanna Murali Krishna	pprasannamurali@gmail.com	9110579162

Note:

- Meeting Link will be shared by trainers.
- At the end of the workshop, students payment should be completed

## Course Objectives:

- The course is designed to provide Basic knowledge of Python. Python programming is intended for software engineers, system analysts, program managers and user support personnel who wish to learn the Python programming language.

## Learning Outcome:

Problem-solving and programming capability

## Entry Requirements (Pre-requisites):

- Basic Knowledge of Computer

## Eligibility :

- who are willing to Learn Python Programming language are eligible.

## Hardware Requirements:

- i3 or above Processor is required
- 4 GB or above RAM is recommended
- Good Internet Connectivity
- OS-Windows 10 is Preferable

## A NATIONAL LEVEL WORKSHOP ON PYTHON PROGRAMMING

### Report

Name of the program : A National level workshop on Python programming

Duration of the program: 13/9/2021-25/9/2021

Resource person details: Ms.P.Sindhuja,APSSDC

Ms.K.Mangatayaru,APSSDC

A National level workshop on Python programming was held in department of electronics and communication engineering, KITS College, markapur from 13 September 2021 to 25 September 2021. Ms.P.Sindhuja, Ms.K.Mangatayaru attended to this workshop as a resource persons and conducted very informative sessions to students. Total 24 students participated to this workshop. Dr.P.Prasanna murali Krishna acted as a convener, Mr.N V.Rama subbareddy and S.Mariyababu acted as a coordinators. The Main objective is designed to provide Basic knowledge of Python. Python programming is intended for software engineers, system analysts, program managers and user support personnel who wish to learn the Python programming Language. Dr.P.Prasanna murali krishna ,HOD,ECE,coordinators,some of the staff members expressed the gratitude for sharing his expertise with everyone.

#### Topics covered:

### ABOUT THE COLLEGE

Krishna Chaitanya Institute of Technology & Sciences, Markapur, founded by Sri Anna Venkata Rambabu, Ex-M .L.A. of Giddalur Constituency under the name and style of Anna Educational Society. Sri Rambabu is a social worker and devoted his life for serving the public. He, who got a title “JALADATA” for his renowned service and he was given an award “PRATIBHA PURASKAR” and won the Lawrence of the people. Sri Anna Krishna Chaitanya, Secretary & Correspondent is an Ideological, young and dynamic personality with updated administrative and technological views.

Krishna Chaitanya Institute of Technology & Sciences, Markapur, is established in 2008 in pollution free, hygienic, serene, lush green environment and meadows in an area of 36 Acres of land just 6 km from Markapur. This Institute is offering five B.Tech courses (CE, ECE, CSE,AI&ML, and AI) with a total intake of 420. The Institute as such is a monumental infrastructure which is architecturally designed and framed with updated facilities for the students. This Institute has got the appreciation from the Hon'ble former Chief Minister Sri K. Rosaiah garu for the infrastructure, equipment, results and discipline.

Dr. V.Krishna Reddy, Principal of this Institute is a person of academic excellence with vast experience in Technical Education and administration. He has published several Technical papers in National & International Journals and won academic awards.

### ABOUT THE DEPARTMENT

The department of Computer Science Engineering was established right from the inception of the college with an current intake of 180 students in UG. The department has well qualified, committed and dedicated faculty members and has well equipped, sophisticated, precise and state of art laboratories are centre of attraction.

### COURSE OBJECTIVES

To help the participants to familiarize with the Android and Java Programming.

To train the participants in accessing User Interface Design.

To develop confidence as independent Android Applications Developer.

### ABOUT THE WORKSHOP

Many businesses now rely on cybersecurity and ethical hacking to keep themselves safe from cyber-attacks. Cybersecurity and ethical hacking have the same goal of increasing a company's security, but they are not the same. While cyber security is a broad domain, ethical hacking is a subset of it. Any firm investing in a security architecture must understand each of these concepts. This article will help you understand the differences between ethical hacking and cybersecurity.

Cyber security is becoming increasingly critical. Whether public or private, every company keeps unprecedented quantities of data critical to the firm and requires effective protection against any cyber threat. The global cyber threat is evolving rapidly. Every company, especially those involved in preserving national security data or other sensitive data, must take proper actions to secure its sensitive information. You can do this and get ahead in your Cybersecurity journey with the best course for Ethical Hacking. Start learning today with expert instruction and han

**REPORT OF THE EVENT**

**EVENTNAME: ETHICAL HACKING and CYBER SECURITY**

**DURATION OF THE PROGRAM : 14/02/2022 TO 15/02/2022**

**RESOURCE PERSON DETAILS: Mr.V.Gopi, Cron technologies Pvt. Limited,  
Hyderabad**

Department of computer science and engineering, KITS ,Markapur has organized a Seminar on CAREER OPPORTUNITIES IN ETHICAL HACKING DOMAIN for CSE Third Year students on 14/02/2022 TO 15/02/2022 at third year lecture hall Mr.V.Gopi, Cron technologies Pvt. Limited from Hyderabad was the resource person and Mr.E.Rajesh acted as a coordinator for this event.

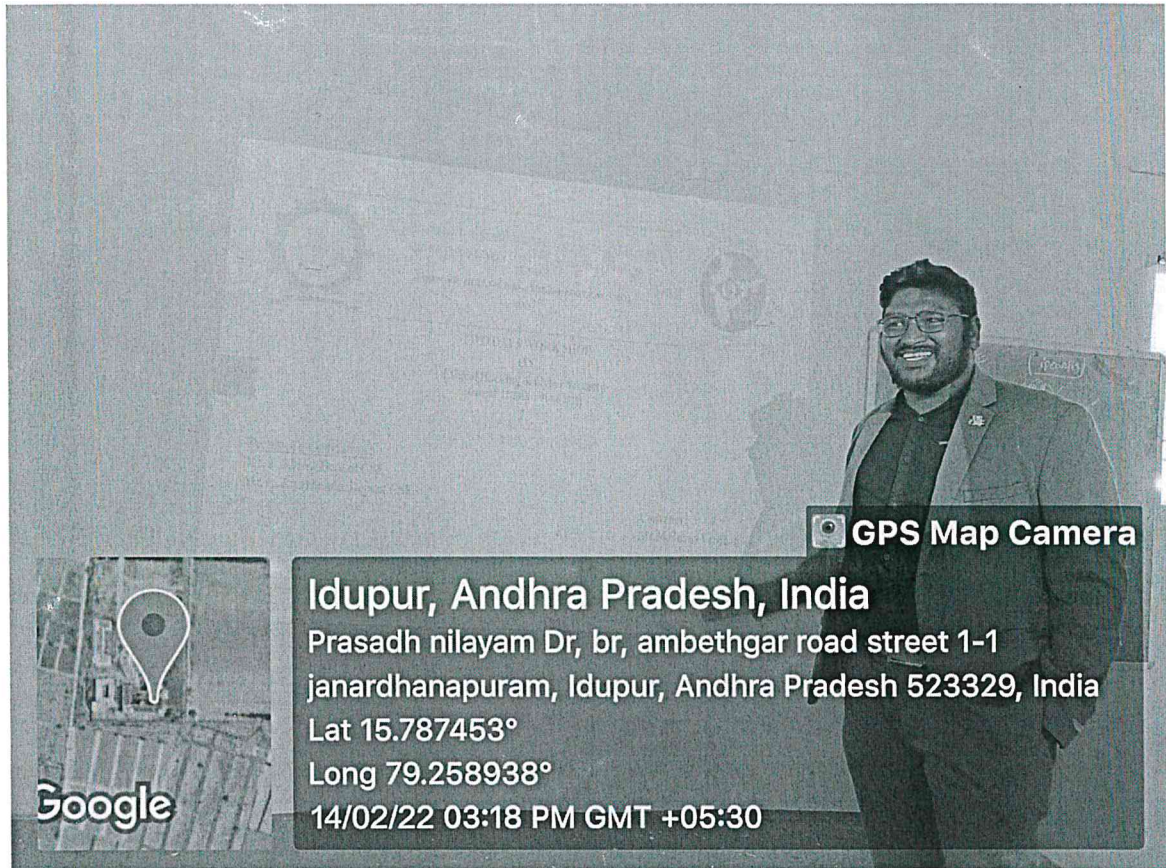

During the lecture, Mr.V.Gopi spoke about introduction and various applications Ethical hacking involves an authorized attempt to gain unauthorized access to a computer system, application, or data. Carrying out an ethical hack involves duplicating strategies and actions of malicious attackers.He made the students realize that technological developments and improvisations are essential part of every engineer's life, and said that an engineer should cultivate the ability to grasp the ideas sooner and be able to modify the existing technology into much efficient and convenient ones. He said that one thing which is constant in life is change, and hence motivated the students to keep learning new technologies and adapt to the market needs. He also gave some tips to the students on what an industry expects from a fresh computer science engineer and career opportunities in ethical hacking domain

Earlier,Mr.E.Rajesh ,coordinator for this program welcomed the guest speaker and introduced him to the audience. Head of the department of CSE,Dr.Sk.Althaf Hussian Basha thanked the speaker for sparing his valuable time to educate the budding engineers.
