TEACHERS FEEDBACK ON CURRICULUM ACADEMIC YEAR 2021-22

1. OBJECTIVE OF FEEDBACK

The College is affiliated to Jawaharlal Technological University, Kakinada. The syllabus finalized by JNTUK is implemented in the affiliated colleges. The IQAC of the college identifies the curricular gaps and plans for co-curricular and extra-curricular activities in the college. The college obtains feedback from all the stakeholders like students, alumni, employer, and teachers on curriculum/syllabus to enrich the quality of activities performed in the college for improvement of professional skills, employability and entrepreneurial skills of the students.

ACTION TAKEN REPORT FOR THE ACADEMIC YEAR 2021-22

TEACHER'S FEEDBACK CURRICULUM

SUMMARY

This organization is affiliated to JNTUK,KAKINADA and the college academic curriculum is designed by the Board of Studies in the University. Board of Studies designs curriculum by taking suggestions and remarks from the affiliated colleges through conducting meetings with the principals (of the Affiliated colleges) before preparing the Blue print of curriculum.

However, institution obtains feedback on the curriculum design and development from various stakeholders. The feedback is collected and analyzed at college academic meetings in the institution. Based on the requirement, institutions plan:

- Faculty development programme to be conducted e-content development in the academic year 2022-23.
- It is instructed to all faculty to enroll in online course available in SWYAM portal related to their area of expertise which adds up additional knowledge.
- Enhanced research activities by conducting Research Conventions in the following topics – Research Ethics and Post Research Methods.

Recommendations and proposals about curriculum are conveyed by principal to the University through attending meetings in the University.

TEACHER'S FEEDBACK CURRICULUM

SUMMARY

This organization is affiliated to JNTUK, KAKINADA and the college academic curriculum is designed by the Board of Studies in the University. Board of Studies designs curriculum by taking suggestions and remarks from the affiliated colleges through conducting meetings with the principals (of the Affiliated colleges) before preparing the Blue print of curriculum.

However, institution obtains feedback on the curriculum design and development from various stakeholders. The feedback is collected and analyzed at college academic meetings in the institution. Based on the requirement, institutions plan:

- Faculty development programme to be conducted e-content development in the academic year 2021-22.
- It is instructed to all faculty to enroll in online course available in SWYAM portal related to their area of expertise which adds up additional knowledge.
- Enhanced research activities by conducting Research Conventions in the following topics –Research Ethics and Post Research Methods.

Recommendations and proposals about curriculum are conveyed by principal to the University through attending meetings in the University.

STUDENT FEEDBACK CURRICULUM

SUMMARY

This organization is affiliated to JNTUK, KAKINADA and the college academic curriculum is designed by the Board of Studies in the University. Board of Studies designs curriculum by taking suggestions and remarks from the affiliated colleges through conducting meetings with the principals (of the Affiliated colleges) before preparing the Blue print of curriculum.

However, institution obtains feedback on the curriculum design and development from various stakeholders. The feedback is collected and analyzed at college academic meetings in the institution. Based on the requirement, institutions plan:

- More practical sessions are included for better understanding of the subject.
- It is decided to continue personality development programmes and interview skills programme for the academic year 2020-21.
- Learning Management System through interactive activities which enables the mutual interaction between faculty and student was encouraged.
- Smart class rooms, Video conferencing etc was made effective by use of ICT.

Suggestions and remarks about curriculum are conveyed by Principal to the University through amending meetings in the University and it is made perfect to suit the students instead of mere gathering of information so that it can enhance the ability of the students to think innovatively.

Feedback on Curriculum/syllabi 2021-2022 Student's feedback on curriculum

SUMMARY

- From the Above Graph 50% of the students are gave their feedback was as Excellent and very good about the Curriculum and syllabi as per the current trends.
- From the Above Graph 40% of the students are gave their feedback was as very good about the teaching aids used in the delivery.
- From the Above Graph 50% off the students gave feedback that the Syllabus Equipped With Necessary Skills to face the Industry.
- From the Above Graph 20% off the students gave feedback on the Opportunities for out of class room learning

NAAC ACCREDITED INSTITUTION

DEPARTMENT OF ELECTRONICS & COMMUNICATION ENGINEERING

ACTION TAKEN REPORT FOR THE ACADEMIC YEAR 2021-22

STUDENT FEEDBACK CURRICULUM

SUMMARY

This organization is affiliated to JNTUK, KAKINADA and the college academic curriculum is designed by the Board of Studies in the University. Board of Studies designs curriculum by taking suggestions and remarks from the affiliated colleges through conducting meetings with the principals (of the Affiliated colleges) before preparing the Blue print of curriculum.

However, institution obtains feedback on the curriculum design and development from various stakeholders. The feedback is collected and analyzed at college academic meetings in the institution. Based on the requirement, institutions plan:

- More practical sessions are included for better understanding of the subject. It is decided to continue personality development programmes and interview skills programme for the academic year 2021-22.
- Learning Management System through interactive activities which enables the mutual interaction between faculty and student was encouraged.
- Smart class rooms, Video conferencing etc was made effective by use of ICT.

Suggestions and remarks about curriculum are conveyed by Principal to the University through amending meetings in the University and it is made perfect to suit the students instead of mere gathering of information so that it can enhance the ability of the students to think innovatively.
