7.2.1 – Describe at least two institutional best practices

BEST PRACTICE I:

Mentoring System: The Institute provides various initiatives for improving the academic performance of the students. Generally, remedial classes are being held for the weak students in every semester. Mentorship program involves problem solving, doubt clearing. Every week two hours is provided for counseling, doubt clearing and motivating students. The overall quality improvement is evident from the high class averages and a large number of students securing good marks. There may be problem with the students on their personal issues, which can be solved by proper counseling by the faculty coordinators.

Best Practice II:

Student Improvement Programs:

- ❖ Workshops, Field Trips & Seminars are conducted regularly to expose the students on latest technologies.
- ❖ Various CRT programs are held to make the students ready for on/off campus placements.
