“KNOWLEDGE INCREASES BY SHARING BUT NOT BY SAVING”

INTRODUCTION

The sentence was taken from the lesson 'Stephen Hawking Positivity Benchmark' Stephen William Hawking was born on Jan 8 1942 Oxford, in England. Stephen Hawking was English theoretical physicist whose theory of exploring Black Holes drew upon both relativity theory and quantum mechanics. Hawking known for his wheelchair and electronic voice, overcome a debilitating disease to push the boundaries of science and revolutionize our understanding of the universe. Hawking was a popular writer. His first book "A Brief History of Time" was first published in 1988 and became an International best Stephen Hawking was died on 14 March 2018 in Cambridge. To be precise that Stephen Hawking's life and work has been a success is an underestimate. There are 8 lessons from his extraordinary life and achievements that can inspire us among them I would like to discuss about the theme called 'He Shared His Knowledge'.

HE SHARED HIS KNOWLEDGE

Knowledge is understanding and awareness of something. It refers to the information, facts, skills and wisdom acquired through learning and experience in life. SHARING is a basic component of human interaction and is responsible for strengthening socialites and ensuring a person's well being. SHARING are two types they are dividing and distributing What we have we distribute it others SHARING KNOWLEDGE Sharing knowledge is an activity through which knowledge is exchanged among people, friends, peers, families or between organizations. Sharing knowledge means he shares his experience with others. When we share our knowledge with others we find better ways of doing things.

THE TEACHER IS THE BEST SOURCE OF KNOWLEDGE

Of course the general and most common role of a teacher is to teach and give knowledge to

students. Nearly half of your personality is what you teaches have made of you. Teacher can share his knowledge to students. He was sharing his ideas or experiences to students. Teacher can build the character and personality of a student.

$$\text{KNOWLEDGE} = (\text{KNOWLEDGE})^2$$

The equation of KNOWLEDGE is equal to $(\text{KNOWLEDGE})^2$ which means when we share our knowledge it is equal to double of our knowledge. Some people are afraid of sharing knowledge. Knowledge is the hidden beauty of every individual, so feel proud of sharing your knowledge to others. Sharing knowledge doesn't come from our first hand own experience. Share it others it helps deepen your own knowledge and ingrained what you know. New conversations and opportunities can arise just from that offering even more opportunities to grow. Sharing knowledge is the most fundamental act of friendship because it is a way you can give something without losing something. There is a lesson for all of us. If we don't share our knowledge by communicating it clearly and effectively we are losing a golden opportunity. In my opinion is that knowledge can't be gained by experience only it can also be gained by shared knowledge too. Some of our knowledge is based on our own experience.

CONCLUSION

Gaining knowledge is the first step to wisdom and sharing it is the first step to humanity. Knowledge might have power but it is much more powerful when it shared with others. At the same time knowledge seems to hidden beauty to everyone and everyone should feel free to share not to save.

STATUS OF WOMEN CONDITIONS IN INDIA

India is a country known for its rich beautiful culture and tradition. Women are given the place of goddess Lakshmi in the Indian Culture but by seeing the last few years crimes against women, there seem the safety and security of women are at stake. As we can literally observe that crimes against women occur every minute in India. There has been a decline in the woman status from ancient to mediaeval period which is continued in such an advanced era.

Each day a single women, a girl child, a young girl, a mother and women from all walks of life are being assaulted molested and violated. The streets, public transport, public spaces in particular have become the territory of the hunters. There are certain common crimes against women are rape, dowry deaths, sexual harassment at home place, kidnapping and abduction, cruelty by husband, relative's assault on a woman, child and sex trafficking, attract, child marriages and many more. Though the constitution of India has given the equal of dignity, equality and freedom from gender discrimination but in practical filed no one bothers to follow such law until and unless the people mind set towards a woman does not change....

The Rights of women in India

When we talk about the rights for women in India then we can take into consideration both the conditional rights and legal rights. The constitutional rights are those which are incorporated in the various provisions of the constitution. The legal rights refer to those which are incorporated in the various laws of the parliament and the state legislature to be more specific. Let's discuss the rights through the following points....

Rights of women enshrined in the constitution of India

Article 15(1) provides that the state shall not

discriminate against any citizen of India on the ground of sex.

Article 15 (3) provides that the state is empowered to make any special provisions for women i.e.; the state can make affirmative discrimination in favour of women

Article views 16(2) provides that no citizen shall be discriminated against or office under the state on the ground of sex

Article 23(1) provides that traffic in human beings and forced labour in prohibited.

Article 39 (a) provides the state of secure for men and women equally the rights to an adequate means off livelihood.

Article 243(t)4 provides that the offices of chair persons in the municipalities shall be reserved for women in such manner as the state legislature may provide. And they are so many acts as, article 39(d), article 42, article 51_A (e), article 243_d(3) ext....

Legal rights of women enshrined under various Indian legislation

Protection of women from domestic violence act (2005)

The immortal traffic act, 1986 has amended the immortal traffic act, 1956.

Indecent representation of women act (1986)

Dowry prohibition act (1961)

Medical termination of pregnancy act (1971)...and soon...

Here, every woman should know the general laws

Right to free aid

Right to privacy

Right to no arrest

Right to not being called to police station.

Recent amendment to certain laws

JNTUK News Letter Vol (1) Jan 2023

The Gang rape that took place on the night of 16th December 2012 took the entire nation in such a outrage stage that if forced to give a new shape to the criminal law by the enactment of the most awaited act i.e.; the criminal law act,2013 thus the act has included the following sections.

Section 354A provides for sexual harassment and punishment for sexual harassment.

Section 354B provides for assault or use to criminal force to women with intent to disrobe.

Section 354 C provides for voyeurism.

Section 354 D provides for stalking.

The definition of rape under section 376 has been amended.

Even we know about Priyanka Reddy, in 27 November 2019, the Gang rape and murder of a 26 years old veterinary doctor in Shamshabad near Hyderabad, sparked outrage across India. Her body was found in

Shadnagar on 28 November 2019, the day she was murder.

Man killed partner in Delhi, dumped body pieces at 2am for 18 days. In a shocking case, a man allegedly stranded his live in partner, chopped her body into 35 pieces and dumped them in Delhi Mehrauli forest over 18 days reported by the police sources. He got away with the murder for five to six months. He would step out 2am every day to dump the body parts. Keeping in view all the points in mind women are not having proper protection India, Hence I conclude this article "women not having individuality in India so that it is consider that India is still developing country.

"If we give respect, protection to women then our country will be a developed country."

WOMEN EMPOWERMENT

Women empowerment: women empowerment refers to making women powerful to make them capable of deciding for themselves. Women's are suffered a lot from past centuries that they are treated as almost non-existent. They don't have basic rights. As the time evolved women's are realized their power. There on began the revolution for women empowerment.

In the time were women not allowed to make their own decisions women empowerment came like a fresh air to breath. it made them aware of their rights and known about their own place in society rather than depending on a man.

How the countries are developed or developing that they have history of bad treating of women in western countries like India women's have no security. In our country women are treated as a honour of the family. If she did any mistake they just killed and they think that their reputation and legacy are more important than women and also women's are not allowed to pursue their higher education and they get married in small age and the person dominated her and they think that the women work for him endlessly throughout the life. and also domestic violence is another major problem in India the husband bits a women for dowry and some other property.....etc .if she questioned about anything the people are ready to blame about her character she will be blamed by the society without her any mistake and also they paid less wages than men because of gender.

If a men divorced to a women every one supported him for second marriage but incase a women divorced to a men people blame about women's character at this situation parents should give their supports to her.

Women's individual rights

Women's are also have their individual right to speak to get education to take individual

decisions, should have express her feelings freely have to laugh have to be an employ have to be an independent have with self confidence.

Importance of women empowerment:

- ❖ Women empowerment increases self confidence to an individual women
- ❖ Increases positivity in women's
- ❖ Increases their awareness about education.
- ❖ How to take decisions about their life's
- ❖ It helps to know more about their rights.

Various national and international Organizations participated in women's empowerment and they include their seven principles, are:

- ❖ Make high level leadership without gender in in equality
- ❖ At work place treat everyone same without any gender discrimination and respect equally.
- ❖ Ensure the health and well being safety both male and female.
- ❖ Encourage women's education, and training and professional works.
- ❖ Implement supply chain, marketing and business development.
- ❖ Promote equality thought community project and campaign.
- ❖ Progress about gender equality shows publicly.

How to empower the women

To empower the women government should take responsibility about it and also individual should take responsibility about it and also explain the benefits about the uses of women empowerment and also explain about the

uses of education and tell about their rights and develop their skills from financial crisis. It is needed to explain about the independent life and the happiness of women and also explain them how the men are commanding on women life. Making awareness about their potential helps in difficult situations.

Women need to get awareness about their rights, health and education.

WORK IN THE SUN AND IN THE LIGHT

The phrase "work in the sun and in the light" is taken from the lesson "Nehru's Letter to daughter India on her Birthday" is written by Jawaharlal Nehru. Pt.Nehru guided each and everyone to make friends with the sun and work in the light; it means make friends with the people who are hard working and do things not in secret and not hidden.

In the year of 1928, Nehru written a letter to his daughter, not only his daughter, he wrote a letter to each and every girl. Nehru gave certain pieces of advice to everyone through the letters how to become leaders and great personalities, when he was captivated in the jail. 'If you want to become a great leader, you should have hide anything and do things not in secret'. Pt.Nehru advised that "do not afraid of anything, the moment you fear, you are nobody". He suggest you that whenever you are in doubt, Never do anything in secret or hide nothing and the best way to figure out what was right and wrong, what should be done and what Should not be done. Sometimes, during a talk or discussion, a piece of truth emerges out.

Pt. Nehru advised that, "if you want to become a very wise then follow this, In any event people who are wise do not talk about their wisdom, and do not behave as if they were very superior personalities". About being fearless, he said that things should be done under the light of the sun .This helps the person to be unafraid and

fearless about his activities. Anything did under the light of the sun which means in front of everyone, makes the person strong and confident. To work without fear and be open, not secretive. Nehru advised that you to hide nothing and never do anything in secret. For the desire to hide anything means that you are afraid and fear is a bad thing and unworthy of you.

In history, Jenne d'Arc was a French ordinary girl at the of age 19, who helped her country during the French Revolution. She did not hide anything and she was not afraid of anything. Then she becomes a great leader. In our great freedom movement, under Babuji's Leadership, there was no place for secrecy or hiding. People had nothing to hide from him because they needed Independence. If they were hiding something, it was not good for them. Then he said that they (Gandhiji, Nehru, Patel and Tagore) should not be afraid of whatever things they say or do . They work in the sun and in the light. Nehru said that they were working living and working in the sun and the light. It means that they were not living in the dark and nothing was there to be hidden from the Universe. He said that even in their private lives, they could make friendships with the sun and light.

Pt. Nehru guided Indira to make friends with the sun and work in the light suggesting her to be brave and win over the fear. These words gave courage and strength to Indira Gandhi and help her to grow as a strong

woman with the inspiration and strength given by her father. He wanted to know the true face of society and he wanted to make her daughter to be brave. She would one day grow up to be a courageous soldier in India's service. Indira Gandhi was able to take such bold decisions while she was elected as prime Minister of india . She becomes a Iron Lady of India. Words that Nehru shared with his daughter have become a guide to the next generations. We should never be afraid of anything when we take a step without fear, everyone else will stand with you.

Read about successful people's stories and history of successful nations when we read and understand and think about great people, only then you can find great things that you have within you. Only then you can be inspirational to others, and we can create our own history. Even So in our private lives Make friends with the sun and work in the light and do nothing secretly....

Conclusion:

I would like to conclude this article by giving some suggestions. "If anyone wanted to become with leadership qualities or great personality", Never do anything in secret and hide nothing. The best way to figure out what was right and wrong, what should be done and what should not be done. Sometimes during a talk or discussions with families or friends, a piece of truth emerges out, and then will know how to overcome obstacles in life. Never be afraid of anything and do things in front of everyone, makes the person to be great personality. Work in the sun and in the light.

INTERNATIONAL WOMEN'S DAY

International Women's Day Pre-celebrations held on 7th march 2022 in KITS. This year, we had the privilege of witnessing the transformative power of meditation in empowering women in their personal and professional lives. The primary objective of the event was to encourage women to explore the benefits of meditation and integrate mindfulness practices into their daily routines. Program started with prayer song by the girl students.

Mrs.Kusum, a renowned meditation instructor, was invited as a chief guest to guide participants on a journey towards self-awareness, inner peace, and emotional resilience. She emphasized the importance of mindfulness as a tool to manage stress and anxiety effectively. She empowered women to confront their emotions and develop emotional resilience. She addressed the issue of self-confidence and self-doubt, which often hinders women from reaching their full potential. Through the power of meditation, around 400 number of students and faculty members of KITS experienced a positive transformation.

On the auspicious occasion of International Women's Day, various competitions were organized to celebrate the creativity and talents of women.

Addressed by Chief Guest Mrs.Kusum, Meditation instructor and WEC coordinators

National Girl Child Day

National Girl Child Day is celebrated in KITS each year to recognize the value of the girl child in society and promote gender equality. The primary objective of the Celebrate Her event was to create awareness about the importance of the girl child in society and promote gender equality within the institution and the broader community. KITS aimed to empower girls through education, skill development, and various interactive sessions, fostering an environment that values and supports their aspirations. The event commenced with an inauguration ceremony attended by the college faculty, students.

The program featured interactive sessions with accomplished women from diverse fields, including science, technology, arts, and entrepreneurship. These role models shared their success stories, challenges they faced, and the importance of pursuing dreams with determination. The sessions aimed to motivate and inspire the young girls present at the event.

The event celebrated the artistic talents of female students through various performances, including dance, music, and poetry recitals. These creative expressions showcased the girls' confidence and artistic abilities.

(DEoW&G)**

In Association with

**Digital Monitoring Cell (DMC)
JNTU Kakinada, Kakinada -533 003**

About the Program

In the age of the screen and the increasing exposure of young children and adults to the online world, exposure to cybercrime has also increased significantly. The need to inform and educate users, especially children, about lurking cyber threats and proper cyber hygiene is of tremendous importance.

Unfortunately, many women fall victim to cybercrime. According to a recent study, more women than men are using the internet to enrich their relationships.

According to a recent study, more women than men are using the internet to enrich their relationships. The growing reach of the internet and the rapid spread of information via mobile devices have opened up new opportunities that could put some women at risk, so it's important to be aware of the dangers.

As part of *Azadi ka Amrit Mahotsav*, JNTUK-Directorate of Empowerment of Women & Grievance, in collaboration with JNTUK-Digital Monitoring Cell is organizing a Women's Cyber Security Awareness Program for JNTU Kakinada-Constituent and Affiliated Colleges.

Topics to be Covered

Awareness Program on Countering cyber attacks

JNTUK's commitment to promoting cyber security awareness among student community is commendable. By implementing various initiatives and programs, the university has equipped its students with the knowledge and skills to protect themselves and their digital assets from cyber threats. Empowering students with cybersecurity awareness not only benefits them individually but also strengthens the overall cybersecurity posture of the institution.

As cyber threats continue to evolve, fostering a cyber security-conscious culture among students is crucial. By instilling a sense of responsibility and vigilance in students, JNTUK is playing a significant role in building a more cyber-resilient generation capable of navigating the digital landscape securely.

As part of *Azadi kaAmrit Mahotsav*, JNTUK-Directorate of Empowerment of Women & Grievance, in collaboration with JNTUK-Digital Monitoring Cell is organized a Women's Cyber Security Awareness Program for JNTU Kakinada-Constituent and Affiliated Colleges on 04-02-2023. Seminar on Gender Equality

On 12/10/2022, KITS Conducted Seminar on Gender Equality during the Induction Program which was Scheduled from 06-10-2022 to 15-10-2022. The primary objective of this Seminar is to create awareness and sensitize incoming students about the importance of gender equality and women's empowerment. Through various sessions and activities, the program sought to foster a campus environment that upholds the principles of equality, where all students are treated with respect and provided equal opportunities for growth and success. As we move forward, let us remember that promoting gender equality is not a one-time event but an ongoing commitment. By nurturing a culture of respect, understanding, and inclusivity, KITS is creating a supportive space where all students can thrive and excel in their academic pursuits.

This program is conducted for III & IV Year B.Tech I semester CSE Branch and Faculty members in order to lecture them, Intellectual property rights (IPR) refers to the legal rights given to the inventor or creator to protect his invention or creation for a certain period of time. These legal rights confer an exclusive right to the inventor/creator or his assignee to fully utilize his invention/creation for a given period of time. In the present age , Intellectual property rights are main focus is the primary function of intellectual property rights (IPRs) is to protect and stimulate the development and distribution of new products and the provision of new services based on the creation and exploitation of inventions, trademarks, designs, creative content or other intangible assets. Strong IP rights help consumers make an educated choice about the safety, reliability, and effectiveness of their purchases. Enforced IP rights ensure products are authentic, and of the high-quality that consumers recognize and expect.

The most important intellectual property is a copyright is the right to copy. It protects original works of authorship such as books, art, and other creative works. Software generally falls

International Women's Day

Event Name: Women's Day Celebrations

Date: 08/03/2022

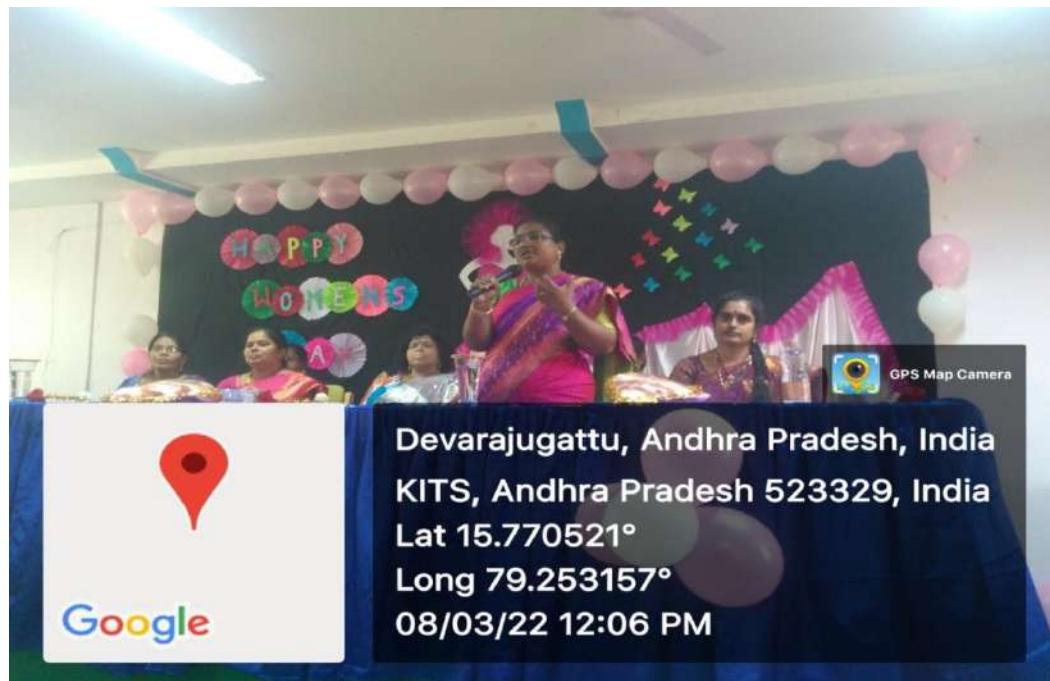

Venue: C-Block Seminar Hall

Resource Person: Smt. Anna Durga Kumari

No. of Girl Students Participated: 415

KITS celebrated proudly the "International Women's day" at C-Block seminar Hall on 8th march 2022. It celebrates the unique strength of women that is hard to find in the rest of human existence. It started with prayer song by the girl students. Initiating the event, the Coordinator of WE Cell, Dr.V.Neela Priya informed the gathering that International Women's Day is a global day and is celebrated in most parts of the world to take Cognizance of the unprecedented achievements of women, irrespective of which section the society they belong to.

After that the lecture was delivered by the **Chief Guest Smt. Anna Durga Kumari, Vice Chairman of KITS.** Through her lecture she emphasized that it is necessary for young girls and women to break the bounds and shackles laid down by society. Fear is restrictive and hence it is imperative that women should rise above narrow mindedness and prove their abilities. She also distributed Prizes to both winners and runners of different activities conducted by WEC.

Addressed By Dr. V. Neela Priya, Chairman of Women Empowerment Cell

Girl Child Day

Event Name: Girl Child Day

Date: 24-Jan-2022

Venue: C-Block Seminar Hall

Resource Person: Dr. E.Neela Priya, HOD

No. of Students Participated: 290

A girl child deserves a life where she is treated as equal to a boy. And she should be loved and respected like others. She participates in the development and growth of the nation equally. Besides, she works hard for the betterment of society and country.

“Save a girl to save tomorrow. Save girl child, save future generations.”

Keeping these lines,

Krishna Chaitanya Institute of Technology and Sciences organized **“International Girl Child”** Day to make students aware about the gender inequality faced by girls. The main objective of observing this day is to empower women and help them get their rights so that they can face challenges all over the world and fulfill their needs. The Women Empowerment Co-coordinator Dr. V.Neela Priya talked about issues affecting girls such as education, nutrition, child marriage and legal rights and also added up on sensitizing the participants on the ill effects of dowry, hazards of domestic violence and child labour.

r.Neela Priya – HOD of civil, Dr.Mahalakshmi –CSE faculty, A.Amrutavalli – CSE-faculty -NSS Committee member ,Non-teaching Lady faculty and all the B.Tech Girls of about 300 had present during the event.

Vaccination drive

Many young people will experience persistent COVID symptoms months after their initial illness. Young adults are responsible for most of COVID-19 spread. College students congregate in group settings where the COVID-19 virus can easily spread. The Omicron Variant, the most common variant in ND, is highly contagious (may cause more than 3x as many infections as Delta). Getting vaccinated will prevent infections and help limit the spread of disease, keeping college students and staff safe.

All **Krishna Chaitanya Institute of Technology and Sciences Students and Employees** are strongly encouraged to keep up to date with COVID-19 vaccines, including booster doses, to help keep our community safe.

Vaccination drive is organized by NSS committee in Krishna Chaitanya Institution of Technology & Sciences, Markapur on 27-11-2021 . In this drive all the students of all branches and faculty members are participated and taken their vaccination. During this drive they spread the awareness of Corona virus and given them instructions and precautions after the period of vaccination. Around 150 Students had get vaccinated during this drive.

Dr.M.Venkateswarlu (M.O., MPHO, Peddaraveedu & ONGOLE / DMHO) was present in this drive as a chief guest . Dr. Anna Chaitanya – Secretary of KITS, Dr. Venna Krishna Reddy – Principal of KITS, Dr. Anna Ranganayakulu – Vice Principal & NSS Co-ordinator P.V.Anil Kumar – Associate Professor (KITS) was present during the Drive.

Orientation Program on Gender Equality

KITS Conducted orientation program on Gender Equality on 29/11/2021. This Program was organized for the students who have joined the Institute in the Academic Year 2021-2022 in different courses. The primary objective of this program is to create awareness and sensitize incoming students about the importance of gender equality and women's empowerment. Through various sessions and activities, the program sought to foster a campus environment that upholds the principles of equality, where all students are treated with respect and provided equal opportunities for growth and success. As we move forward, let us remember that promoting gender equality is not a one-time event but an ongoing commitment. By nurturing a culture of respect, understanding, and inclusivity, KITS is creating a supportive space where all students can thrive and excel in their academic pursuits.

Guest lecture on Women in the Society and challenges ahead

A guest lecture on “Women in the Society and challenges ahead” is being organized by women Empowerment Cell of KITS on 06-May-21. Mrs. Oruganti Mrudula guest of honor started off her lecture through online by sharing her academic and professional journey so far from completing her Master’s to Moving to the Industry. She pointed out the challenges that come with starting a ‘new life’ overseas and talking a challenge and charting it out as an opportunity. The last segment of the session was ended with Q & A round. In the end, the guest lecture session was concluded with vote of thanks speech by Mrs. A.Amrutavalli.

A LEGAL AWARENESS PROGRAM ON ROAD SAFETY & TRAFFIC RULES

“AN AWARENESS PROGRAMME ON ROAD SAFETY”, is Organized by KITS on 22 April 2021. Regional Transport of Onglode Mr. K.Ramprasad, Motor Vehicle Inspector Ch. Rambabu, and DSP C.Haribabu are invited as Chief Guests. Mr. K.Ramprasad delivered a speech to the students towards Road Safety and Traffic Rules and also suggests the students whenever to drive a car follows the traffic rules, it is important to wear helmet while driving a two wheeler, obey the traffic lights to avoid accidents. One should always wear seat belt while driving a car. Avoid rash driving as fast speed is the core reason of accidents. Always carry all the paper of the vehicle and Avoid drunk and drive.

Speech by Regional officer Mr.K.Ramprasad

AWARENESS PROGRAM ON ANTI-RAGGING

Anti Ragging Cell of KITS had conducted the AWARENESS PROGRAM ON ANTI-RAGGING on 13-Mar-21 with DSP of Markapur Mr. N.Ramanjaneyulu and with Police Inspector of Markapur Police station as key speaker of the orientation. Mr. N.Ramanjaneyulu in his address to the students spoke about the origin and menace of Ragging in India and the different spheres to it. He also explained the legal consequences of involvement in such activities. He also reiterated that anyone who is actively or passively, or is a part of a conspiracy to promote ragging, is liable to be punished.

National Girl Child Day

On 24th Jan 2021 “National Girl Child day” celebrated in KITS. All the students and staff participated in the ‘Orientation program’. In this regard the Ministry of Women and Child Development initiated the National Girl Child Day. The main aim of the day is to spread awareness about the gender-based discrimination that girls face the society. Students through their posters depicted the importance of national girl child day. The objective of the day is to spread awareness among the public about inequities faced by girls in Indian society, to promote awareness about the rights of the girl child and the importance of female education, health, and nutrition. The day is in line with campaign like “Save Girls”.

ORIENTATION PROGRAM ON GENDER EQUALITY

On 18th Jan 2021 “Orientation Program” celebrated in KITS. All the students and staff participated in the ‘Orientation Program’. Every year, KITS celebrates Orientation program before classes start; therefore students usually will need to register for classes during orientation. Because new students need some direction and guidance in enrolling for classes, faculty members should have an opportunity to provide academic advising at orientation. An academic component to orientation will give the new students the advantage they will need in making the transition from high school to college. By giving a strong overview of academic expectations, students will be better prepared to meet the challenges of collegiate academics. Therefore, in order to give the most accurate view of an institution, there must be both an academic and social component to the orientation program.

Speech by Mr. Anna Rambabu garu Chairman of KITS

Enterprenuership Awareness Program

KITS organized an Entrepreneurship Awareness Programme on 23th Dec 2020 in association with MSME Tool Room, Hyderabad & Central Institute of Tool Design) for a period of 10 Sessions. MSME is the apex body for the formulation and administration of rules, regulations and laws pertaining to micro, small and medium enterprises in India. MSME is a branch of the Govt.of India. The Purpose of this program is to make aware of, and encourage the young and talented students towards how to initiate new startups and ways of getting financial assistance from banks etc. The Secretary and Correspondent Dr.Anna Krishna Chaitanya addressed and explained how the industrial policy of the Govt. is encouraging the spirit of entrepreneurship. He also threw light on the initiatives taken up by the Govt. in this regard. Dr. V Krishna Reddy, Principal, shared that the need of the hour is to create entrepreneurs instead of job seekers. Further, he explained how the KITS have taken its initiatives to create and nurture entrepreneurial spirit among students especially with a view to encouraging women entrepreneurship.

Students Received Certificates from MSME Tool Room

Awareness Program On -Violence Against Women

Venue: Class rooms with in campus, Krishna Chaitanya Institute of Technology and Sciences

Objective: To sensitize students of KITS College on human rights and gender justice.

Women Empowerment Cell in collaboration with NSS observed UN Human Rights Day on December 10, 2020 by conducting a class-to-class awareness campaign to raise awareness among students of KITS on the dire need for elimination of violence against women in the context of growing incidence of crime against women during the pandemic.

Dr.NeelaPriya , HoD, Department of Civil and WEC Convener addressed the students extensively on their rights and responsibilities to ensure Gender Justice and fight gender-based violence.

This was followed by a pledge administered by WEC Co- Convenor Ms.Tejaswini and student coordinators.

The pledge for boys-

“I take this pledge in the name of my mother

I will always treat all women with dignity and respect

I will never physically or mentally abuse any women

I will remain committed to the elimination of violence against women”

Awareness Program on Disha App

Giving importance to women safety, Krishna Chaitanya Institute of Technology and Sciences encouraged the students to download and use services provided by Disha App makes more safety to women and citizens and makes the crime rate less.

With an objective to promote Disha app for the safety of women, introduced by Andhra Pradesh Government, the AP Power utilities have taken initiative to create awareness on mobile application and its installation to all the women at Krishna Chaitanya Institute of Technology and Sciences keeping in mind their safety and security.

The Disha app, an initiative taken up by the State government for the safety of women, is gaining popularity by the day and has overtaken 'Dial 100' helpline in the number of calls received a day. "Disha app, the first of its kind in the county, is a weapon for women. Women and students have responded well and are downloading the application", says Home Minister Mekathoti Sucharitra.

The app has won many awards at the national level. The Disha Mahila Police Stations, Disha Patrolling Vehicles, Integrated Crime Scene Management Vehicles, FSL's, Disha Special Courts and other initiatives have helped enhance security for women.

Disha Application has become a blessing for women and girls in distress and who are facing problems. Several times it proved to be a great source of help and safety for women and girls when faced with problems like atrocities.

INTERNATIONAL WOMENS DAY

KITS celebrated proudly the “International Women’s day” at C-Block seminar Hall on 8th march 2020. It celebrates the unique strength of women that is hard to find in the rest of human existence. It started with prayer song by the girl students. Initiating the event, the Coordinator of WE Cell, Dr.V.NeelaPriya informed the gathering that International Women’s Day is a global day and is celebrated in most parts of the world to take Cognizance of the unprecedented achievements of women, irrespective of which section o the society they belong to. She Expressed satisfaction that the college had close to 40% of women Students and that the women faculty were very active on administration front in addition to academics.

Chief Guest, Ms. Deepika, SI has advised students not to blindly ape the western culture but draw strength from their own culture. Those who are rooted in their culture will be more confident and happy in the modern stress ridden world. She added that the answer is nor for men and women to try to be alike. All men and women must be themselves, realizing that God has given each of us unique abilities with which to pursue our goals, and that our primary responsibility is to take full advantage of those abilities. She reminded that man and woman should play complementary roles without competing with each other. Women have greater empathy. Men are physically more robust and usually more aggressive and externally oriented. “Let’s celebrate the incredible strength of women to strengthen the foundation of the society,” she concluded.

The speeches by the guests were followed by prize distribution to the winners of various competitions in the sports, cultural and creative categories. The WE Cell also gave away women’s day token gifts to the sub-staff , cleaning staff of KITS in appreciation with felicitation of the guests and vote of Thanks.

The Following are the list of events planned.

REPORT ON NATIONAL GIRL CHILD DAY

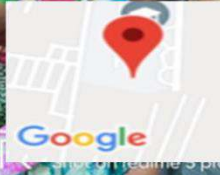

On 24th Jan 2020 “National Girl Child day” celebrated in KITS. All the Girl students and staff participated in the ‘National Girl Child day’. The main aim of the day is to spread awareness about the gender-based discrimination that girls face the society. Students through their posters depicted the importance of national girl child day. The objective of the day is to spread awareness among the public about inequities faced by girls in Indian society, to promote awareness about the rights of the girl child and the importance of female education, health, and nutrition.

NSS Unit, KITS celebrated “National girl child day” to create awareness and address issues related to girl child in society. Principal, Dr V.Krishna Reddy was the chief guest on the occasion. About 100 students/NSS volunteers attended the programme. On the occasion, students prepared posters depicting the importance of educating the girl child. Addressing the gathering, Principal said, “There is no difference between girl and boy child and both should be treated equally by the parents and society”. He further stressed upon the contribution being made by girls in every field whether sports, literature, science, education etc. Various speakers also put forth their valuable suggestions/thoughts on the theme “**Save the Girl Child and Educate the Girl Child**”.
