Mindtree

A Larsen & Toubro Group Company

Without limiting its discretion to address problematic relationships or situations, Mindtree offers the following guidelines:

During working time and in working areas, employees must keep personal exchanges limited so that others are not distracted or offended, and so that productivity is maintained. During nonworking time, such as lunches, breaks and before and after work periods, employees may have appropriate personal conversations in non-work areas as long as their conversations and behaviors could not be perceived as offensive or uncomfortable to a reasonable person. Employees are strictly prohibited from engaging in conduct that would be deemed inappropriate by a reasonable person while on company premises, regardless of whether they are working at the time.

Mindtree generally considers employee off-duty conduct as private, as long as the conduct does not create problems within the workplace. Exceptions to this principle, however, involve 1) romantic or sexual relationships between supervisors and subordinates (regardless of the reporting structure) or 2) romantic or sexual relationships between any employee in the People Function or Finance departments and any other employee. Both employees involved in a relationship in either of these categories must immediately disclose to Mindtree the existence of a romantic or sexual relationship. Such required disclosure must be made in writing to People Function. People Function will provide an appropriate form upon request. Failure to make this disclosure may result in disciplinary action up to and including termination of employment. This disclosure will enable Mindtree to determine whether, given the relative positions of the individuals involved, action should be taken.

If Mindtree determines that action must be taken, it may ask one or both of the employees to transfer to another position, location, or project. If a transfer proposed by Mindtree is refused, or if Mindtree determines that the situation cannot be adequately addressed by transfer (or if Mindtree determines that transfer otherwise would not be in the best interests of Mindtree), Mindtree may terminate the employment of one or both employees. Mindtree has the sole discretion to determine whether a problem exists and how to address it. Accordingly, Mindtree is not limited to transfer and discipline/termination as its only options.

9) Personal Behavior

Mindtree expects all Mindtree Minds to be honest and fair in dealing with people, customers, vendors, competitors or others because you are the brand ambassador of Mindtree and your actions help to form others' impressions about Mindtree.

10) Breach of Discipline

EXPLANATION OF COMPENSATION STRUCTURE AND EMPLOYEE BENEFITS

To facilitate an easy understanding of your compensation structure (Cost to Company, CTC), the various components have been categorized under the following broad heads:

- ↓ Basic Salary

BASIC SALARY

The Basic Salary is standard across organization and brought to a certain value of the CTC. Basic salary has an impact on various other components such as the PF contribution, medical insurance cover, Gratuity, HRA etc. and hence has to be balanced so as not to substantially reduce the employee's take home salary.

MONTHLY ALLOWANCES

- **House Rent Allowance (HRA):** The HRA is payable maximum Up to 100% of the Basic Salary and paid monthly. This includes the Company Leased Accommodation value. For those who are not staying in a rented accommodation, can declare the same in the system post joining and this amount would be paid as taxable component.
- **Food Wallet:** Food Wallet is a voluntary benefit and is applicable for payments related to food and non- alcoholic beverages only. Once enrolled, the benefit should be availed within HCL Cafeterias or food joints outside HCL campus which serves only food and non-alcoholic beverages. This Food Wallet cannot be used in any other outlet other than designated food outlet.

As permitted by the Employees Provident Funds and Miscellaneous Provisions Act, 1952 and its Rules, at the time of joining, if you give your written consent, Company will provide you an option to limit your Provident Fund Contribution to maximum monthly wage ceiling defined by EPF authority (Currently it is Rs. 15,000/- per month) instead of on the entire basic salary mentioned in this salary break-up sheet. You understand and agree that if you explicitly consent to choose the above mentioned option, you will see following impact in your monthly pay slip.

- There is no impact on your Gross salary and CTC salary as stipulated under Annexure A.
- Both Employee's contribution and Company contribution to E.P.F will be lesser than what is mentioned in the salary break-up sheet under Annexure A -I point no. 3. Differential amount will be shown under "Special Pay I" in your pay slip. Income tax deduction benefit would reduce to that extent.
- As EPF deductions are less, your take home pay would be more than what is stipulated under Annexure A. This will attract appropriate income tax.

COVID-19: IBM Initiatives for Employees and Communities

As we navigate the COVID-19 pandemic, IBM has taken a series of initiatives to help and support our employees and their family members in this challenging environment. The health and safety of IBMers, partners, and clients is our top priority. Below is a view of some of our key initiatives to fight the pandemic:

Employee Well-being and Safety

- **Vaccination for all IBMers:** Vaccination camps will be opened (in line with Government regulations) in all major cities with IBMer populations. IBMers and their family members will have the option of getting vaccinated at hospital centers or camps at selected IBM locations. The vaccination program is expected to start in mid-May.
- **Dedicated 24x7 medical helpline:** IBM has launched a dedicated helpline through Portea for a variety of services including doctor consultation, medical / home care services, and testing services.
- **Emergency Transport for Medical Needs:** We are offering an emergency transport facility 24x7 for medical requirements for both, employees and their immediate family members who are COVID-19 positive (for transport to a medical facility) and those who are COVID-19 negative (for procuring medical supplies or attend to impacted family members).
- **Additional Insurance Coverage:** IBM is also providing additional insurance coverage for each insured employee and their covered dependents (spouse and children) for up to Rs. 5 Lakhs per member covered.
- **Medically Supervised Quarantine Facilities in Hotels:** We have worked with Apollo Hospital group (national chain in India) to offer medically supervised "step down" facilities at designated hotels in every major city where IBMers and immediate family members can quarantine in case it's not feasible at home.
- **Oxygen Concentrators for IBMers:** We are procuring 500 oxygen concentrators for IBM employees and their families. These concentrators will arrive in India later this week.

Mobilizing the Collective Power of IBMers

- **IBMer Volunteer COVID-19 Squads:** We have organized squad groups staffed by IBM volunteers to take service requests and match them to verified sources of available resources - hospital beds, ICUs, oxygen requirements, ambulances, and medicines. With over 1000 volunteers already signed up, this is really making a difference to quickly triage requests and ensure that needs are matched to resources available nationally.
- **Plasma Donation Drive:** We have launched a Plasma donation drive, where employees can donate plasma. They can also register if they need plasma.

- **Mental Health:** We have set up several employee support groups across cities to provide employees with a platform to discuss issues, challenges, concerns, and coping mechanisms such as managing stress, staying active, and promoting self-care.
- **Donation Drive:** IBM has partnered with United Way of India to drive an employee giving campaign. Employees can donate financially to the NGO and they in turn are working with several partners at the ground level to provide critical and emergency care for the community.
- **Volunteering Opportunities:** IBMers are volunteering to become first responders on Covid-19 helplines through a collaboration with prominent NGOs Jeeva Raksha Trust and Project StepOne.

Given the dynamic pandemic situation, IBM is constantly revising and updating any initiatives it has put in place to respond to the pandemic, And any of these programs and policies may be changed or withdrawn by IBM at its sole discretion. Please reach out to your HR contact to understand the current measures in place at IBM.

IBM CONFIDENTIAL

ANNEXURE B - NON-DISCLOSURE AGREEMENT

Agreement Regarding Confidential Information, Intellectual Property, and Other Matters

Serial # _____ Date Of Hire: ____/____/____

In consideration of my employment or my continued employment by International Business Machines Corporation or one of its subsidiaries or affiliates (collectively, "IBM"), which I acknowledge is employment at will, and the payment to me of a salary or other compensation during my employment, I agree as follows:

1. I will not, without IBM's prior written permission, disclose to anyone outside of IBM or use in other than IBM's business, either during or after my employment, any confidential information or material of IBM, or any information or material received by IBM in confidence from third parties, such as suppliers or customers. If I leave the employ of IBM or at the request of IBM, I will return to IBM all property in my possession belonging to IBM or received by IBM from any third party, whether or not containing confidential information and whether stored on an IBM owned asset or a personally owned asset, including, but not limited to, electronic data, electronic files, diskettes and other storage media, drawings, notebooks, reports, and any other hard copy or electronic documents or records. No employee is prohibited from reporting possible violations of law or regulation to a government agency, as protected by law.

Confidential information or material of IBM is any information or material: (a) generated or collected by or utilized in the operations of IBM, received from any third party; obtained from an entity IBM acquired or in which IBM purchased a controlling interest (including information or material received by that entity from a third party); or suggested by or resulting from any task assigned to me or work performed by me for or on behalf of IBM, and (b) which has not been made available generally to the public, whether or not expressed in a document or other medium and whether or not marked "IBM Confidential" or with any similar legend of IBM or any third party. Confidential information or material may include, but is not limited to, information and material related to past, present and future development, manufacturing activities, or personnel matters; marketing and business plans; pricing information; customer lists; technical specifications, drawings, and designs; prototypes; computer programs; and databases.

2. (a) During my employment with IBM and for two years following the termination of my employment from IBM for any reason, I will not directly or indirectly within the Restricted Area solicit, or attempt to or participate or assist in any effort to solicit, any employee of IBM to be employed or perform services outside of IBM. For purposes of this Paragraph 2(a), "Restricted Area" shall mean any geographic area in the world in which I worked or for which I had job responsibilities, including supervisory responsibilities, during the last twelve (12) months of my employment with IBM. Also, for purposes of this Paragraph 2(a), "employee of IBM" shall mean any employee of IBM who worked within the Restricted Area at any time in the 12-month period immediately preceding any actual or attempted solicitation.

(b) I agree that during my employment with IBM and for one year following the termination of my employment for any reason, I will not directly or indirectly solicit for competitive business purposes any customer with which I was directly or indirectly involved as part of my job responsibilities during the twelve (12) months prior to the termination of my employment with IBM. This paragraph 2(b) does not apply to any IBM employee whose work location as reflected in IBM records is within the state of California.

I acknowledge that IBM would suffer irreparable harm if I fail to comply with Paragraph 2(a) or (b), and that IBM would be entitled to any appropriate relief, including money damages, equitable relief and attorneys' fees.

3. I will not disclose to IBM, use in its business, or cause it to use, any information or material which is confidential to any third party unless authorized by IBM. In addition, I will not incorporate into any product used and/or sold by IBM, any copyrighted materials or patented inventions of any third party, unless authorized by IBM pursuant to Paragraph 5.

4. I will comply, and do all things necessary for IBM to comply, with (a) the laws and regulations of all governments under which IBM does business, (b) the provisions of contracts between any such government or its contractors and IBM that relate to intellectual property or to

the safeguarding of information, and (c) IBM's corporate directives, including, without limitation, policies and information technology security standards issued from time to time as well as the IBM Business Conduct Guidelines as amended from time to time.

5. I hereby assign to IBM my entire right, title, and interest in any idea, concept, technique, invention, design (whether the design is ornamental or otherwise), computer programs and related documentation, other works of authorship, mask works, and the like (all hereinafter called "Developments"), hereafter made, conceived, written, or otherwise created solely or jointly by me, whether or not such Developments are patentable, subject to copyright or trademark protection or susceptible to any other form of protection which: (a) relate to the actual or anticipated business or research or development of IBM or its subsidiaries or (b) are suggested by or result from any task assigned to me or work performed by me for or on behalf of IBM or its subsidiaries.

If, by operation of law such right, title, and interest in Developments vest in IBM upon creation, I acknowledge that such right, title, and interest belong to IBM. Also, I hereby assign to IBM my entire right, title and interest in any such Developments that were or are suggested by or a result of any task assigned to me or work performed by me for or on behalf of any entity that IBM acquired or in which IBM purchased a controlling interest to the extent that any such right, title and interest is not already owned by said entity.

In the case of any "other works of authorship", such assignment or ownership shall be limited to those works of authorship which meet both conditions (a) and (b) above.

California Notice: For Developments subject to California law, notwithstanding anything above to the contrary, I understand that this assignment does not apply to a Development which qualifies fully under the provisions of Section 2870 of the California Labor Code. The above provisions concerning assignment or ownership of Developments apply to Developments created while employed by IBM in an executive, managerial, professional, product or technical planning, technical, research, programming, or engineering capacity (including development, product, manufacturing, systems, applied science, and field engineering) or otherwise.

The assignment of Developments in this Paragraph 5 shall exclude any Developments in which I have a right, title, or interest and that were, prior to my employment with IBM, (1) conceived and/or made solely or jointly by me; (2) written wholly or in part by me; or (3) expressly stated in an agreement that I executed with another party which precludes an assignment to IBM (collectively, these exceptions to assigned Developments hereunder shall be known as "Excluded Developments"). Further, I acknowledge that I will not use or cause to be used, any Excluded Developments in IBM's business, research or development without a written or email authorization to do so from both my first and second line manager. For the avoidance of doubt, Excluded Developments shall not comprise any Developments that were or are suggested by or resulted from any task assigned to me or work performed by me for or on behalf of any entity that IBM acquired or in which IBM purchased a controlling interest, unless assignment of my right, title, and interest in the Development is governed by an agreement executed prior to my IBM employment.

I hereby identify any and all Excluded Developments which are not published in a searchable public database (e.g. United States Patent & Trademark Office). In the following table I have provided a brief non-confidential description that sufficiently identifies the Excluded Development (e.g. title of publication), the creation date of the Excluded Development, and to the extent my rights to the Excluded Development are governed by an agreement, the other named party to the agreement and the date the obligation terminates.

If I do not have any Excluded Developments to declare I have left the following table blank or have written "None," "Non/Applicable," or a similar designation.

Description of Excluded Development	Date Created	Named Party/Termination Date

Additional pages may be attached, as appropriate to identify other Excluded Developments, if any. IBM requires you to disclose Excluded Developments in this Paragraph 5. If you wish to interest IBM in any Excluded Development, you may contact the Intellectual Property and Licensing Department at Corporate Headquarters, which will provide you with instructions for submitting it to IBM.

6. In connection with any of the Developments assigned by Paragraph 5 (a) I will promptly disclose the

In addition, I agree to promptly notify the IBM Intellectual Property Law Department in writing of any patent or patent application in which I am an inventor but which is not assigned by Paragraph 5 and which discloses or claims any Development made, conceived, or written while I am employed by IBM. I also agree to promptly notify the IBM Intellectual Property Law Department if, after I leave the employ of IBM, I am contacted by anyone or any entity outside of IBM regarding any transaction, legal or governmental proceeding, litigation or other legal dispute concerning or relating to any of the Developments assigned by Paragraph 5.

7. IBM and its licensees, successors, or assigns (direct or indirect) are not required to designate me as an author of any Development which is subject to Paragraph 5, when it is distributed, publicly or otherwise, or to secure my permission to change or otherwise alter its integrity. I hereby waive and release, to the extent permitted by law, all rights in and to such designation and any rights I may have concerning modifications of such Developments.

I understand that any rights, waivers, releases, and assignments herein granted and made by me are freely assignable by IBM and are for the benefit of IBM and its subsidiaries, licensees, successors, and assigns.

8. I agree that IBM, its services providers and other third parties authorized by IBM will collect, use, store, make available to those who have a need-to-know, and otherwise process my personal information to establish, maintain and terminate my employment relationship with IBM and for other legitimate business purposes, anywhere in the world. I will not use for unauthorized purposes nor share with any unauthorized parties, either during or after my employment, any personal information about others to which I may have access during my employment at IBM.

IBM provides numerous opportunities for social computing through blogs, wikis, social networks, virtual worlds and other social media. I agree to comply with all IBM policies and practices regarding use of social computing tools and I understand that I am personally responsible for the content I post on any social computing tools (whether on IBM's internal platforms or on third party sites) and that any information I post, including any of my personal information, may be made broadly available to others, potentially inside or outside IBM, who have access to these tools.

9. The term "subsidiaries," as used in this Agreement, includes any entity owned or controlled, directly or indirectly, by International Business Machines Corporation.

10. The term "employment at will," as used in this Agreement, means the employment at the mutual consent of both me and IBM. Accordingly, either IBM or I can terminate the employment relationship at will, at any time, with or without cause or advance notice. However, this clause does not relieve me of my responsibility to serve the notice period in accordance with my terms of employment, in the event of my resignation from the services of IBM.

11. This Agreement supersedes all previous oral or written communications, representations, understandings, undertakings, or agreements relating to the subject matter hereof, except as expressly agreed otherwise by IBM in writing upon my hire or transfer of employment to IBM. Any waiver of a term in this Agreement and any amendment to this Agreement may only be made in a writing signed by the Senior Vice President of Human Resources for International Business Machines Corporation and myself.

12. This Agreement shall be governed by the laws of India. If any provision of this Agreement is unenforceable at law, the remainder shall remain in effect. I recognize that any violation of my obligations described herein would cause IBM to suffer irreparable harm and can result in disciplinary action, including dismissal from IBM, and any other appropriate relief for IBM including money damages, equitable relief and attorneys fees.

13. This Agreement shall constitute a part of my terms of employment with IBM, and is executed contemporaneously with my offer of employment/ employment contract with IBM.

COVID-19: IBM Initiatives for Employees and Communities

As we navigate the COVID-19 pandemic, IBM has taken a series of initiatives to help and support our employees and their family members in this challenging environment. The health and safety of IBMers, partners, and clients is our top priority.

We have put together a comprehensive support plan for our employees and their families to tide through this pandemic.

Employee Well-being and Safety

- **Vaccination for all IBMers:** Vaccination camps will be opened (in line with Government regulations and availability of vaccines) in all major cities with IBMer populations. IBMers and their family members will have the option of getting vaccinated at hospital centers or camps at selected IBM locations. We are working closely with the concerned authorities on this.
- **Dedicated 24x7 Medical Helpline with Portea:** IBM has launched a dedicated helpline through Portea Health Care Services - for a variety of services including doctor consultation, medical/home care services, and testing services. This helpline is the first point of contact for support for any medical help.
- **Access to Oxygen Concentrators**
IBM has procured oxygen concentrators to support IBMers and their family members. We have partnered with Portea Health Care Service to deploy these oxygen concentrators across Bangalore, NCR (Delhi, Gurgaon, Noida), Kolkata, Chennai, and Hyderabad.
- **Eldercare Support with Samarth:** IBM has partnered with Samarth, one of India's leading organizations supporting the elderly by creating a COVID care system. Samarth will help the elders deal with the pandemic by providing 24/7 emergency assistance, home care resources, medicines, doctor tele-consultations, food services, oxygen, and requirement for other equipment as needed.
- **COVID Care Center:** We have worked with Apollo Hospital to offer medically supervised "step down" facilities at designated hotels in every major city where IBMers and immediate family members can quarantine in case it's not feasible at home.
- **Emergency Transport for Medical Needs:** We are offering an emergency transport facility 24x7 for medical requirements for both employees and their immediate family members who are COVID-19 positive (for transport to a medical facility) and those who are COVID-19 negative (for procuring medical supplies or attend to impacted family members).
- **Additional Insurance Coverage:** IBM is providing additional insurance coverage for each insured employee and their covered dependents (spouse and children) for up to Rs. 5 Lakhs per member covered.
- **Meal Delivery Service**
We have tied up with HungerBox for the delivery of freshly prepared meals, ensuring the highest levels of hygiene and safety measures. The service is currently available in Bangalore, NCR, Hyderabad, Chennai, Kolkata, Mumbai, Pune, and Vishakhapatnam.

Leverage the Power of Tech for good

- **COVID Assist:** We have launched COVID Assist, a Watson Assistant powered AI bot, to channelize the requests around critical resources such as ambulance, oxygen, medicine, hospital beds, in an efficient manner. It will also help you connect with the IBM Squad volunteers on ground.

Mobilizing the collective power of the IBMers

- **IBMer volunteer COVID squads :** We have organized squad groups staffed by IBMer volunteers to take service requests and match them to verified sources of available resources - Hospital Beds, ICUs, Oxygen requirements, ambulances, medicines, and more. With over 2000 volunteers already signed up, this is really making a difference to quickly triage requests and ensure that needs are matched to resources available nationally.
- While we do this, employee health and well-being remain a key priority for us. We have set up several **employee support groups across cities** to provide employees with a platform to discuss issues, challenges, concerns and coping mechanisms such as managing stress, staying active and promoting self-care. Covid Warrior stories to energise teams.
- IBM has partnered with United Way of India to drive an employee giving campaign. Employees can donate financially to the NGO and they in turn are working with several partners at the ground level to provide critical and emergency care for the community.
- IBMers are volunteering to become first responders on Covid-19 helplines through a collaboration with StepOne. StepOne is an NGO having an interface with 18 state governments and is helping to train & deploy volunteers to respond to queries on the government helpline.

Leveraging our voice and influence to rally global support

- IBM is playing a key role in **Global Task Force on Pandemic Response** launched by the US Chamber of Commerce to aid India and other Covid-19 Hot-Spots. This includes Sourcing, shipping and delivering 1,000 ventilators, 25,000 oxygen concentrators and working with local partners to fund emergency hospital beds in communities where our teams live and work.

In addition, we are also closely engaged with the government and government agencies in India to offer our support and we are ready to do more.

Given the dynamic pandemic situation, IBM is constantly revising and updating any initiatives it has put in place to respond to the pandemic, And any of these programs and policies may be changed or withdrawn by IBM at its sole discretion. Please reach out to your HR contact to understand the current measures in place at IBM.

ANNEXURE I

EXPLANATION OF COMPENSATION STRUCTURE AND EMPLOYEE BENEFITS

To facilitate an easy understanding of your compensation structure (Cost to Company, CTC), the various components have been categorized under the following broad heads:

- ✚ Basic Salary
- ✚ Monthly Allowances
- ✚ Variable Pay
- ✚ Retirals & Insurances Benefit

The details for each component falling under these heads are explained as following:

BASIC SALARY

The Basic Salary is standard across organization and brought to a certain value of the CTC. Basic salary has an impact on various other components such as the PF contribution, medical insurance cover, Gratuity, HRA etc. and hence has to be balanced so as not to substantially reduce the employee's take home salary.

MONTHLY ALLOWANCES

- **House Rent Allowance (HRA):** The HRA is payable maximum Up to 100% of the Basic Salary and paid monthly. This includes the Company Leased Accommodation value. For those who are not staying in a rented accommodation, can declare the same in the system post joining and this amount would be paid as taxable component.
- **Holiday Allowance:** Holiday Allowance is payable maximum up to INR 50,000 spread over 12 months.
