ABOUT THE PROGRAMME

- AutoCAD is a computer-aided drafting software program used to create blueprints for buildings, bridges, and computer chips, among other things.
- From Architects, Designers to Engineers and everyone who are into creating designs will be in need of a design tool that would make their work easy.
- Gone are the days where designers used paper to draft their designs, with the advent of complex structures and designs, it became extremely difficult to use paper to visualize their ideas.
- AutoCAD 2D software provides an efficient solution for this, helping enthusiasts to visualize their ideas and give life to them.
- With powerful functionalities, AutoCAD 2D enhances workflow and helps an individual create real-life maps, diagrams, structures and schematics. Learning this software application also enables people from one industry to portray complex concepts on paper in the form of drawings.
- This workshop focuses from Basics concepts in the field of designing and increases the imagination power of the students in 2-d designing.
- It covers introduction of designing, 2-d design, drafting and dimensioning, presenting design sheet and in the final work of project.

The workshop aims to provide adequate working to understand the various steps involved in the 2D designing, drafting and planning techniques that involves within a construction project.

Sub: KITS - EEE Department - Educational Visit - Request for permission for
III B.Tech EEE students to visit power plant - Reg.

Krishna Chaitanya Institute of Technology & Sciences(KITS), Sponsored
by Anna Educational Society, Markapuram, is established in 2008, to impart
Technical Education to the students. KITS is offering courses at
graduate(B.Tech) and Post graduate (M.Tech) level.

Educational Visits will help the students in enhancing their practical
skills, which in-turn augment theoretical knowledge. I shall be glad, if you
would kindly permit our III B.Tech Electrical & Electronics Engineering
students (32), to visit your organization along with four of our Faculty
members. Further, it is requested to kindly depute one/two of your Engineers
to explain & guide us during the visit.

Please provide us the Permission in the afternoon session on
07/02/2019.

Thanking you,

Yours sincerely
