### ABOUT THE COLLEGE

Krishnachaitanya Institute of Technology & Sciences, Markapur, founded by Sri Anna Venkata Rambabu, Ex-M L.A. of Giddalur Constituency under the name and style of Anna Educational Society. Sri Rambabu is a social worker and devoted his life for serving the public. He, who got a title "JALADATA" for his renowned service and he was given an award "PRATIBHA PURASKAR" and won the Lawrence of the people. Sri Anna Krishna Chaitanya, Secretary & Correspondent is an Ideological, young and dynamic personality with updated administrative and technological views.

Krishnachaitanya Institute of Technology & Sciences, Markapur, is established in 2008 in pollution free, hygienic, serene, lush green environment and meadows in an area of 36 Acres of land just 6 km from Markapur. This Institute is offering five B.Tech courses (EEE, ECE, CSE, ME & CE) with a total intake of 420. The Institute as such is a monumental infrastructure which is architecturally designed and framed with updated facilities for the students. This Institute has got the appreciation from the Hon'ble former Chief Minister Sri K. Rosaiah garu for the infrastructure, equipment, results and discipline.

Dr. V.Krishna Reddy, Principal of this Institute is a person of academic excellence with vast experience in Technical Education and administration. He has published several Technical papers in National & International Journals and won academic awards.

### ABOUT THE DEPARTMENT

The department of Computer Science and Engineering was established right from the inception of the college with an annual intake of 120 students in UG. The department has well qualified, committed and dedicated faculty members and has well equipped, sophisticated, precise and state of art laboratories are centre of attraction.

#### AWS Business Essentials:

AWS Business Essentials helps IT business leaders and professionals understand the benefits of cloud computing and how a cloud strategy can help you meet your business objectives. In this course we discuss the advantages of cloud computing for your business and the fundamentals of AWS, including financial benefits. This course also introduces you to successful cloud adoption frameworks so to help you consider the AWS platform within your cloud computing strategy.

Course Objectives This course is designed to teach you how to:

- Identify the value and benefits of the AWS cloud
- Recognize the valuable ways that the AWS platform can be used
- Understand the robust security capabilities, controls, and assurances in place to maintain security and data protection
- Articulate the financial impact the AWS cloud can have on an organization's procurement cycle, cost management, and contracts, while minimizing risks associated with consumption-based pricing models

### Eligibility:

The program is open to all year students of CSE, AICTE approved engineering colleges and professionals from R&D organizations.

Registration fee: 500/-

Registration Process: Registration forms duly filled in the prescribed format should reach the Coordinator on or before 28<sup>th</sup> DECEMBER, 2018.

### ABOUT THE COLLEGE

Krishnachaitanya Institute of Technology & Sciences, Markapur, founded by Sri Anna Venkata Rambabu, Ex. M.L.A. of Giddalur Constituency under the name and style of Anna Educational Society. Sri Rambabu is a social worker and devoted his life for serving the public. He, who got a title "JALADATA" for his renowned service and he was given an award "PRATIBHA PURASKAR" and won the Lawrence of the people. Sri Anna Krishna Chaitanya, Secretary & Correspondent is an Ideological, young and dynamic personality with updated administrative and technological views.

Krishnachaitanya Institute of Technology & Sciences, Markapur, is established in 2008 in pollution free, hygienic, serene, lush green environment and meadows in an area of 36 Acres of land just 6 km from Markapuram. This Institute is offering five B.Tech courses i.e. EEE, ECE, CSE, ME & CE with a total intake of 420 and 5 M.Tech courses of ECE(VLSI Design), ME(CAD/CAM), CSE, CIVIL(STRUCTURES), EEE(PE&PS). The Institute as such is a monumental infrastructure which is architecturally designed and framed with updated facilities for the students. This Institute has got the appreciation from the Hon'ble former Chief Minister Sri K. Rosalah garu for the infrastructure, equipment, results and discipline.

Dr. V.Krishna Reddy, Principal of this Institute is a person of academic excellence with vast experience in Technical Education and administration. He has published several Technical papers in National & International Journals and won academic awards.

### ABOUT THE DEPARTMENT

The department of Computer Science and Engineering was established right from the inception of the college with an annual intake of 120 students in UG and intake of 18 in PG (CSE). The department has well qualified, committed and dedicated faculty members and has well equipped, sophisticated, precise and state of art laboratories are centre of attraction.

### ABOUT THE WORK SHOP

Cyber security is the application of technologies, processes and controls to protect systems, networks, programs, devices and data from cyber attacks.

It aims to reduce the risk of cyber attacks and protect against the unauthorized exploitation of systems, networks and technologies.

The costs of cyber security breaches are rising  
Cyber attacks are increasingly sophisticated  
Cyber security is a critical, board-level issue  
Cyber crime is a big business

Types of cyber threats

- Malware, such as ransom ware, bot net software, RATs (remote access Trojans), root kits and boot kits, spyware, Trojans, viruses and worms.
- Backdoors, which allow remote access.
- Form jacking, which inserts malicious code into online forms.
- Crypto jacking, which installs illicit crypto currency mining software.
- DDoS (distributed denial-of-service) attacks, which flood servers, systems and networks with traffic to knock them offline.

### Eligibility:

The program is open to the Faculty, III and IV year students of CSE department of AICTE approved engineering colleges and professionals from R&D organizations.

**Registration fee: Rs. 500/-**

**Registration Process:** Registration forms duly filled in the prescribed format should reach the Coordinator on or before 10<sup>th</sup> September 2018. Fee will be paid at the time of registration on the 1<sup>st</sup> day of workshop.

## **REPORT OF THE PROGRAM**

**TITLE : CYBER SECURITY**

**DATES : 10-09-2018 TO 12-09-2018**

**RESOURCE PERSONS: J.N. Praneeth , J. Bhuvanesh , B. Raja:**

Krishna Chaitanya Institute of Technology & Sciences has organized a three day workshop on **Cyber Security** in association with Andhra Pradesh Information Technology Academy (APITA).

Cyber security is important because it protects all categories of data from theft and damage. This includes sensible data, Personally identifiable information, protected health information, personal information intellectual property, government and industry information systems.

Cyber security is no longer an option for organizations, it has become a crucial element of business continuity. Trust is earned by providing security to users and clients. Having the right intelligence at the right time will enable businesses to detect threats, identify and secure their critical assets, and remediate attacks in real time.

Cybersecurity is the protection of internet-connected systems such as hardware, software and data from cyberthreats. The practice is used by individuals and enterprises to protect against unauthorized access to data centers and other computerized systems.

The resource persons discussed the following topics on cyber security:

- Application security
- Information or data security
- Network security
- Disaster recovery/business continuity planning
- Operational security
- Cloud security
- Critical infrastructure security
- Physical security End-user education

Dear Sir,

Sub: Feedback on the "Cyber Security" workshop – KITS College – Markapur

It is very glad to be informed you that the CSE department has successfully completed the "Cyber Security" workshop on 10<sup>th</sup>, 11<sup>th</sup> and 12<sup>th</sup> September in association with Andhra Pradesh Information Technology Academy (APITA). The trainers J. N. Praneeth, J. Bhuvanesh and B Raja have explained the cyber security concepts in detail and also we have received good feedback from the students. We are very thankful to APITA for arranging workshop. This is for your consideration.
