PAINTING COMPETITION ON " BETI BACHAO, BETI PADAO"

NSS committee had organized an Painting Competition On " Beti Bachao, Beti Padao" on 11-Dec-2021 In 2015, the Indian government introduced the Beti Bachao, Beti Padhao (BBBP) scheme to address concerns of gender discrimination and women empowerment in the country. The name Beti Bachao, Beti Padhao translates to 'Save the girl child, educate the girl child'. The scheme aims to educate citizens against gender bias and improve efficacy of welfare services for girls. It was launched with an initial funding of Rs. 100 crore (US\$ 13.5 million).

The scheme was launched after the national census results for 2011 revealed detraction in key gender metrics – Child Sex Ratio (CSR) and Sex Ratio at Birth (SRB). CSR is defined as the number of girls per 1,000 boys aged 0-6 years. This ratio has showcased a steady decline, from 945 in 1999 to 927 in 2001. This declined further to 918 girls for every 1,000 boys in 2011. Detailed evaluation of the decline showed that SRB was the principal factor. Dip in these ratios is a significant indicator of gender discrimination and women disempowerment, reflecting both pre-birth discrimination through gender-biased, sex selective abortion and post-birth discrimination by neglecting health, nutrition, and educational needs of the girl child. Research concluded that the strong socio-cultural and religious preference for boys was the root cause of the problem and this provided impetus for launch of the BBBP initiative.

Dr. V.Krishna Reddy- Principal (KITS) , Dr. A. Ranganayakulu – Vice Principal, B. Prabhakar-A.O., P.V. Anil kumar- NSS co-ordinator and all the department of HOD's and Staff were present during the event. Conducting painting competition.
