### THE BOOK HOUSE

The library is designed as the nerve center of learning and research at the college. A large collection of books, reference volumes, technical and scientific periodicals are arranged in well organized shelves. The library also has a well equipped information Technology section which offers online access to world wide knowledge base.

### COMPUTER LAB

Synchronizing with the rhythm of Globalization, the college has established a computer center, the lifeline of every sphere of activity. The center is housed with 120 hi end dual core systems in LAN with round the clock 10 Mbps internet connectivity.

### KITS STANDARDS

The constant aim of KITS is to incorporate features of excellence in its campus. Every effort is made to implement the best practices in the field of technical education. The management and staff at KITS take all the care to ensure that the institute serves the best to the expectations of the students and their parents. Enhancement of the overall personality of the students are planned at KITS through a wide range of extra-curricular events and activities. These events will provide the students an exposure to various social, cultural, recreational opportunities, challenges and enrich the student's status.

## Departments

One of the major strength of the college is the teaching learning methodology that is followed dedicatedly by all the Faculty. There are well-documented laboratory procedures, manuals and continuous monitoring of laboratories. Special emphasis is given on question banks, syllabus coverage, extra classes and course planning in order to create best study environment for the students. The students are provided with handbooks for each semester. Advance Teaching Learning aids like MM / DLP/OHP Transparencies are being used by all faculties.

## SPEAK WITH CONFIDENCE

An interactive language laboratory has been set up to enhance the listening, speaking, reading & writing skills of the students. Language lab provides the key to fast learning with the facility of listening, practicing, recording and Assessing the performance of the students thereby polishing and promoting their life skills.
